

Office of Human Resources
Deputy Director of Aviation - CA3069
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Provides strategic leadership and management of a business unit within the Department of Aviation to direct the business unit's functional and operational areas to coordinate the delivery on the airport's strategic plan, adherence with financial and budget goals; and manages relationships with internal and external stakeholders while establishing a multi-year business unit vision and strategic plan which supports the implementation of the Airport's Strategic Plan and Capital Growth goals.

Distinguishing Characteristics

The Deputy Director of Aviation is the highest level of management at Denver International Airport, other than appointees. A Deputy Director of Aviation provides holistic direction and leadership to a specific division in support of the Deputy Executive Director of Aviation for the division. This position is responsible for providing feedback and direction to the Manager of Aviation, Director, and Manager positions. A Deputy Director of Aviation position is strategically focused.

This position is unique to Denver International Airport and reports to the Deputy Executive Director of Aviation.

Level of Supervision Exercised

Directs and provides feedback and oversight for positions classified as Deputy Manager of Aviation, Directors and Managers.

Essential Duties

Establishes the long-term vision and strategic plan for the division in conjunction with the airport's leadership team while integrating the perspectives of policy makers and elected officials.

Manages the development and implementation of the division's goals, objectives, policies, performance standards, and priorities that enable employees and the division leaders to be successful.

Maintains community, regulatory, and external awareness to monitor conditions, trends, innovations and practices that may have implications for the airport.

Incorporate systems thinking to help lead change that supports continuous improvement.

Coordinates with other division leaders to ensure the safe operation of the airport, compliance with applicable government regulations, and retention of FAA Certification.

Creates division organization design and optimizes resource allocations based on the long-term vision of the airport and available financial resources.

Provides leadership and direction to division leaders to ensure the continued development and management of the workforce. Monitors work teams, work assignments and priorities to efficiently and effectively accomplish the division's mission, goals, and objectives.

Establishes effective decision-making processes that achieve goals and objectives. Ensures divisions accomplish annual work plans, strategic initiatives, and performance standards.

Resolves complex issues with multiple internal and external stakeholders to identify solutions which add value to the overall management of the airport. Initiates new programs which represent innovative or state of the art approaches to resolving system-wide problems.

Represents division in meetings with elected and/or appointed officials and other city entities. Serves as the airport representative with a variety of public, business, and community organizations and fosters collaborative relationships to benefit the airport.

Cultivates and maintains positive working relationships with representatives from other divisions, the aviation industry, government agencies, community and business groups, and legislative officials.

Delegates responsibility and authority over operational areas and functions to division leaders. Develops and establishes standards, procedures, systems and guidelines for division leaders.

Performs other duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
