General Statement of Duties

Directs and manages the operations of divisions within the Department of Aviation such as airfield operations, airport infrastructure management, finance, communications, technologies, and revenue development. Directs functional and/or operational areas that include establishing a multi-year vision and strategic plan for the organization, optimizes resource allocations, and ensures the organization accomplishes annual goals and strategic initiatives.

Distinguishing Characteristics

The Deputy Manager of Aviation is the highest level of management class at Denver International Airport, other than appointees or elected officials. A Deputy Manager of Aviation directs divisions and is responsible for supervising directors, managers, supervisors, and individual contributors. A Deputy Manager of Aviation position is strategically focused.

This classification is unique to Denver International Airport and reports to the Manager of Aviation.

Guidelines, Difficulty and Decision-Making Level

Guidelines are in the form of City Charter, ordinances, and legal and professional regulations and objectives.

Work assignment is unstructured and employee is responsible for establishing and directing the mission, vision, and objectives of the organization.

Duties performed involve weighing and evaluating multiple complex and abstract factors requiring a high degree of concentration, analytical ability, judgment, problem solving, and an external awareness on a variety of political, business, and community factors.

Employee is responsible for directing multiple divisions, generally with city-wide responsibilities, that require developing and implementing strategies, objectives, and policies; defining an organizational structure and required resources; establishing organizational performance standards; and providing leadership for the organization and the community.

Level of Supervision Received & Quality Review

Work is reviewed for the attainment of strategic goals, overall service delivery, compliance, and fiscal accountability with specified city-wide objectives from City Charter and Ordinances.

Interpersonal Communication & Purpose

Communication at this level tends to be externally focused. Involves establishing and maintaining effective working relationships with employees, other executives, and elected/appointed officials. Serves as the principal representative accountable to community-based organizations, the business community, and/or the public for critical issues that affect the department and/or the city.

Level of Supervision Exercised

Supervises aviation and/or public safety directors and managers of the sections within the division.
Essential Duties

Establishes the long-term vision and strategic plan for the airport in conjunction with the Manager of Aviation and other executives, directors, and managers while integrating the perspectives of policy makers and elected officials into plans.

Manages the development and implementation of the airport’s goals, objectives, policies, and priorities that enables employees and the organization to be successful now and in the future.

Maintains external awareness, monitoring conditions, trends, innovations, and practices that may have implications for the airport. Incorporates systems thinking to help lead change that supports continuous improvement.

Coordinates with other aviation deputy managers to ensure the safe operation of the airport, compliance with applicable governmental regulations, and retention of FAA Certification.

Creates overall organizational design and optimizes resource allocations based on the long-term vision of the airport and available financial resources.

Provides leadership and direction to directors, managers, and staff members to ensure the continued development and management of an efficient organization. Establishes effective decision-making processes that achieve goals and objectives.

Resolves complex issues with multiple internal and external stakeholders which add value to the overall management of the airport.

Represents the department in meetings with elected and/or appointed officials and other city entities. Serves as the city representative with a variety of public, business, and community organizations and fosters collaborative relationships to the benefit of the organization.

Cultivates, fosters, and maintains positive working relationships with representatives from other Aviation divisions, the aviation industry, governmental agencies, community and business groups, and legislative officials.

Ensures divisions accomplish annual work plans, strategic initiatives, and performance standards.

Develops and monitors work teams, work assignments and priorities to accomplish the division’s mission, goals, and objectives efficiently and effectively.

Makes recommendations for and participates in developing and modifying the organization’s strategic plan.

Delegates responsibility and authority over operational areas and functions to subordinate managers and staff.

Develops and establishes standards, procedures, systems and guidelines for subordinate directors and managers.

Develops and manages the budget for the division and allocates funds with the budget to accomplish objectives.

Initiates new programs which represent innovative or state of the art approaches to resolving system-wide problems.

Resolves operational and unforeseen procedural problems and addresses other concerns as directed or necessary.

Implements and maintains policies and procedures set forth by higher-level managers.
Determines the priorities, goals, and objectives of the division.

Directs the development of performance evaluation standards for sections managed within the guidelines set by top management. Formally evaluates the work of directly subordinate directors and managers and other staff.

Develops and ensures the implementation of staff training and development programs which provide opportunities for individual employee growth, continuity of work flow during employee absences, and long-range development of employees.

Provides expert advice on organizational matters to internal and external stakeholders.

Directs the implementation of human resource policies, practices, and procedures.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
