

Office of Human Resources  
Director Solid Waste - CA2769  
THIS IS A PUBLIC DOCUMENT

### General Statement of Duties

Directs the Solid Waste Division of the Department of Public Works including developing annual and multi-year work plans and strategies, ensures resources are available to achieve work plans, resolves complex business issues, and establishes management practices and processes that ensure the accomplishment of performance standards.

### Distinguishing Characteristics

There are three general management classes (Manager, Director, and Executive) and specific individual management classes such as the Director of Solid Waste. The Manager is a first level management class. A Manager oversees work groups/areas within a division or agency and is generally responsible for supervising first or second line supervisors and/or individual contributors. A Manager position is operationally and/or functionally focused.

The Director is a mid-level management class. A Director manages a division or agency and is generally responsible for supervising managers, supervisors, and individual contributors. A Director position is operationally and/or functionally focused as well as strategically focused.

The Executive is the highest level of management class in the city other than appointees or elected officials. An Executive directs multiple divisions and is generally responsible for supervising directors, managers, supervisors, and individual contributors. An Executive position is strategically focused.

### Level of Supervision Exercised

Directs a division of a department by supervising managers, supervisors, and other individual contributors.

### Essential Duties

Directs the Solid Waste Division which is responsible for city-wide residential trash collection, the residential recycling program, Denver Partners Against Graffiti, and large item pick up,

Develops annual and multi-year work plans and strategies to meet business needs. Develops and directs the implementation of goals, objectives, policies, procedures, and work standards to ensure success.

Communicates business and work area plans and goals to managers and/or supervisors to secure buy-in. Reviews, approves, and implements recommended changes to plans and leads the development of process and/or operational improvements.

Oversees contract administrative duties for the division including negotiating and recommending contract terms and costs, evaluating performance, and ensuring compliance with contract agreements;

Participates in the development of specifications for collection vehicles and equipment and works in conjunction with Fleet Maintenance on the integration and manufactures specifications.

Evaluates training needs and trends of accidents, property damage, and injuries and ensures that appropriate training strategies are developed to address liability issues.

Prioritizes and allocates resources to achieve strategies, analyzes resource utilization, and identifies potential areas of improvement by implementing new improved solid waste collection and disposal systems.

Creates and administers policies and integrates work group procedures across work areas for consistency.

Resolves sensitive, controversial issues by making decisions that are inclusive of multiple perspectives.

Represents the division/department in meetings with elected and/or appointed officials and other city entities. Serves as the city representative with a variety of public, business, and community organizations. Fosters collaborative relationships to the benefit of the organization.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Resolves escalated employee or citizen complaints including long-term resolutions in problem areas.

Selects, trains, develops, and evaluates subordinate staff. Makes decisions on hiring, terminations, promotions, and disciplinary actions as required.

Develops and monitors the budget and oversees financial well-being by analyzing cost effectiveness. Directs cost control activities.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
