General Statement of Duties
This class performs supervisory duties over Document Management Technicians.

Distinguishing Characteristics
This classification performs permanently assigned first-line supervisory duties over Document Management Technicians. There are four classifications in this series. The Document Management Technician I, Document Management Technician II, Document Management Lead and Document Management Supervisor. This class is distinguished from the Supervisor of Administrative Support I class that supervises and coordinates the activities of workers involved in providing office support work.

Guidelines, Difficulty and Decision-Making Level
Guidelines are in the form of state objectives for the section, unit, function, or project.

Work assignment is generally unstructured, and employee is responsible for assigning and supervising a variety of functions to achieve the objectives of the section, unit, or project. Duties performed involve weighing and evaluating factors requiring judgment, analytical ability, and problem solving.

Employee is responsible for simultaneous coordination and supervision of several functions, programs, or projects in various stages of completion.

Level of Supervision Received & Quality Review
Under administrative supervision, the employee has personal accountability for carrying out an assigned function, program or project within the scope of established guidelines and objectives and is expected to resolve problems that arise in the normal course of the work. Completed work is generally reviewed for soundness of judgment, conclusion, adequacy and conformance to policy.

Interpersonal Communication & Purpose
Contacts of a non-prescribed nature involving resolution of non-routine problems and where moderate degrees of discretion, judgment, and specialized knowledge are required in carrying out the technical operational work and policies of an organization.

Level of Supervision Exercised
Supervises two or more full time employees who do not supervise.
