General Statement of Duties

Performs second level supervisory work over skilled trade supervisors and employees involved in maintenance, repair, or construction of City facilities, provides leadership, direction, and long range/short term planning, and directs operational policy development and performance criteria in conjunction with departmental plans and goals.

Distinguishing Characteristics

This class performs second level supervisory duties. This class is distinguished from the Operational Supervisor class that supervises non-supervisory and/or working supervisory employees involved in the operation, construction, maintenance and/or repair of City facilities, infrastructure, parks, and urban forests or in the collection and disposal of solid waste. The Facilities Superintendent class is distinguished from Manager, who manages functional and/or operational area(s) that include implementing work plans based on annual goals and the strategic plan; resolves citizen, operational, and management issues; and achieves goals while ensuring resources are utilized appropriately.

Additionally, the Facilities Superintendent is distinguished from the Field Superintendent that performs second level supervisory responsibilities over skilled trade supervisors, crew supervisors, and employees involved in City field operations such as the collection of solid waste and the maintenance of City parks and urban forests.

Guidelines, Difficulty and Decision-Making Level

Guidelines are in the form of stated objectives for the section, unit, function, or project.

Work assignment is generally unstructured and employee is responsible for assigning and supervising a variety of functions to achieve the objectives of the section, unit, or project. Duties performed involve weighing and evaluating factors requiring judgment, analytical ability, and problem solving.

Employee is responsible for simultaneous coordination and supervision of several functions, programs, or projects in various stages of completion.

Level of Supervision Received & Quality Review

Under managerial direction, the employee has personal accountability for carrying out the work objectives of an organizational unit or section within the scope of established guidelines and the mission of the agency or department. Employee is expected to resolve problems that arise in the normal course of the work. Work may be discussed with higher level supervisors and reviewed for soundness of judgment and feasibility of decisions.

Interpersonal Communication & Purpose

Contacts are of a non-prescribed nature involving the negotiation and resolution of problems and where exceptional degrees of discretion, judgment, and specialized knowledge are required in carrying out the programs and policies of an organization.
### Level of Supervision Exercised

Supervises two or more trade supervisors.

### Essential Duties
