

Office of Human Resources
Food Production Supervisor - CJ2524
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Supervises the work of Cooks and Food Service Workers responsible for the cooking and serving of food and preparation of trays for Denver Health Medical Center.

Distinguishing Characteristics

This class is distinguished from the Institution Food Steward Supervisor class that supervises work of Institution Food Steward employees in the production and preparation of food in a correctional institution.

Level of Supervision Exercised

Supervises two or more employees who do not supervise.

Essential Duties

Organizes, directs and coordinates functions and activities in the food service department.

Plans, schedules, coordinates, and assigns work and establishes goals and priorities for subordinate employees.

Reviews work upon completion for adherence to guidelines and standards.

Resolves problems encountered by employees during the course of the assignment.

Monitors the entire cafeteria operation to ensure that standards of quality, hygiene and efficiency are met.

Checks and prepares patients' trays according to dietary requirements.

Implements safety standards and develops procedures to ensure compliance.

Monitors the preparation of food and prepares it as required.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Performs and/or delegates tasks such as tray stripping, dish washing, pot and pan washing, and cleaning of kitchen equipment, carts, floors, etc.

Attends meetings to coordinate work with other functional areas and resolve problems specifically related to the supervised function.

Receives formal and informal grievances and conducts preliminary discussions for settlement when necessary.

Initiates and recommends disciplinary action for employees as necessary.

Develops and implements staff training and development plans to provide cross training of employees, specific job related training and other approaches to provide opportunities for staff flexibility and development.

By position, may be required to be on-call to address emergent needs.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Decision Making – Specifies goals and obstacles to achieving those goals, generates alternatives, considers risks, and evaluates and chooses the best alternative in order to make a determination, draw conclusions, or solve a problem.

Delivering Results - Sets high standards for quality, quantity, and timelines. Focuses on customer needs and satisfaction. Consistently achieves project goals.

Influencing - Collaborates with, persuades and influences others.
