### General Statement of Duties

Supervises a day-to-day human resource operations within a human resources division. Sets recruiting strategies. Facilitates and investigates employee relations issues. Manages special human resource projects for the Agency. Supervises staff in the administration and processing of multiple human resources functional areas.

### Distinguishing Characteristics

This class performs professional and supervisory work over paraprofessional and/or professional human resources staff. The Human Resources Supervisor is distinguished from a Lead worker that serves as a working lead on a team that assists the human resources function by performing paraprofessional work coordinating and administering a variety of complex and specialized human resources functions (such as payroll/retirement processing, personnel file management, and leave management), coordinate interviews and meetings, enter data, run reports, and check the work of more junior roles.

The Human Resources Supervisor is distinguished from a Manager who manages the human resources services for one or multiple client Agencies. Partners with Agency leadership in determining human resource needs. Directs and develops a team of Human Resource Generalists/Business Partners. Supports a vision for leadership development to support successful attainment of client’s business strategies, goals and outcomes. Defines and supports organizational structure, workforce planning and talent management strategies. Demonstrates ability to select strong talent, fosters an environment that inspires strong employee performance.

### Guidelines, Difficulty and Decision-Making Level

Guidelines are in the form of stated objectives for the section, unit, function or project.

Work assignment is generally unstructured and employee is responsible for assigning and supervising a variety of functions to achieve the objectives of the section, unit or project. Duties performed involve weighing and evaluating factors requiring judgment, analytical ability and problem solving.

Employee is responsible for simultaneous coordination and supervision of several functions, programs or projects in various stages of completion.

### Level of Supervision Received & Quality Review

Under managerial direction, the employee has personal accountability for carrying out the work objectives of an organizational unit or section within the scope of established guidelines and the mission of the agency or department. Employee is expected to resolve problems that arise in the normal course of the work. Work may be discussed with higher-level supervisors and reviewed for soundness of judgment and feasibility of decisions.

### Interpersonal Communication & Purpose

Contacts of a non-prescribed nature involving the negotiation and resolution of non-routine problems encountered and where exceptional degrees of discretion and judgment and specialized knowledge are required in carrying out the programs and policies of an organization.

### Level of Supervision Exercised

Supervises a work group within a division by supervising individual contributors.
