

Office of Human Resources
Human Services Hotline Operator - CC2538
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Receives all incoming telephone calls involving child abuse and/or neglect, elicits essential information from caller, and determines the immediacy and type of response needed.

Distinguishing Characteristics

This class receives all incoming telephone calls involving child abuse and/or neglect, elicits essential information from caller, and determines the immediacy and type of response needed. This class is distinguished from a Human Service Aide that performs standard performance level work identifying client needs and providing services. The Human Services Hotline Operator is distinguished from a Program Case Manager that performs paraprofessional case management work with program participant cases in various city agencies.

The Human Services Hotline Operator is distinguished from the Administrative Support Assistant III that performs a variety of full performance level office support work. The Human Services Hotline Operator is distinguished from the 911 Operator that performs telephone public contact work receiving emergency calls to the police department, the fire department, emergency medical services, other similar emergency services and performs data retrieval work operating computer terminals.

Level of Supervision Exercised

None

Essential Duties

Receives all incoming telephone calls involving child abuse and/or neglect, makes quick decisions regarding the child's life and well being (high, moderate, or low risk), determines the immediacy and type of response needed based on an initial risk assessment (contact police for immediate assistance, contact on-call case workers, or distribute for follow up services).

Elicits essential information from caller including the problem, allegation, and complaint, names of involved parties, address, and information pertaining to the laws and regulations of child abuse and neglect in the state of Colorado.

Searches department and statewide databases to compile all necessary information on the alleged victim, family members, all involvement of Human Services, and other required information, enters information into the statewide database, documents all aspects of the initial call and actions taken, and distributes as required.

Receives calls and works directly with law enforcement on domestic violence cases and placement of children.

Receives all calls and information from the Coroner's Office regarding the death of any child in the city, notifies all pertinent parties, conducts database searches, and documents and distributes information to initiate fatality investigations.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Decisiveness - Makes well-informed, effective, and timely decisions, even when data are limited or solutions produce unpleasant consequences; perceives the impact and implications of decisions.

Information Management - Identifies a need for and knows where or how to gather information; organizes and maintains information or information management systems.
