

Office of Human Resources
Institution Food Steward Supervisor - CJ2543
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Supervises the work of Institution Food Stewards in the production and preparation of food in a correctional institution.

Distinguishing Characteristics

The Institution Food Steward Supervisor is distinguished from Food Production Supervisor, which supervises the work of Cooks and Food Service Workers responsible for the cooking and servicing of food and preparation of trays in a hospital. This class is also distinguished from Food Service Custodial Supervisor, which coordinates and supervises food service workers in cleaning and maintaining food service facilities at Denver Health Medical Center (DHMC). The Institution Food Steward Supervisor is distinguished from Food Service Lead Technician, which assists in supervising routine duties related to the preparation and serving of food, including cleaning of the kitchen area, utensils, and equipment. Finally, this class is distinguished from Institution Food Steward, which leads and trains inmate helpers in high-volume food preparation and food service work under the Institution Food Steward Supervisor's supervision in Denver County Jail and Pre-Arrestment Detention Facility, including proper sanitary procedures and food preparation security.

Level of Supervision Exercised

Supervises two or more employees who do not supervise.

Essential Duties

Supervises Institution Food Stewards and inmate helpers in the production and preparation of food in a correctional institution.

Maintains department records, reports and files as required.

Coordinates with the food manager and stewards on kitchen security standards, menu planning and budget controls.

Inspects kitchen to ensure cleanliness in accordance with Health & Hospital standards.

Purchases, receives, stores, and issues supplies, equipment, and foodstuffs.

Assists in the development of departmental budgets.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Implements safety standards and develops procedures to ensure compliance.

Develops and implements staff training and development plans to provide cross training of employees, specific job related training and other approaches to provide opportunities for staff flexibility and development.

By position, may be required to be on-call to address emergent needs.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies
