

Office of Human Resources
Internal Audit Supervisor - CV2241
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Supervises professional auditors engaged in conducting internal audits, including performance, financial, IT and compliance audits, and preparing reports in accordance with Generally Accepted Government Auditing Standards to ensure compliance with rules and policies, and measures performance for efficiencies.

Distinguishing Characteristics

The Performance Audit Supervisor is distinguished from the Lead Performance Auditor, which performs permanently assigned lead work over performance auditors, which is not full performance level supervisory responsibilities.

Level of Supervision Exercised

Supervises two or more professional performance auditors; and, may supervisor additional support staff.

Essential Duties

Supervises performance auditors engaged in conducting performance, finance, compliance, and contract audits and evaluations of city organizations and programs that include, but are not limited to effectiveness, efficiency, public policy assessment, governance, and internal control and compliance objectives as defined by Generally Accepted Government Auditing Standards.

Monitors the evaluation of organizational operations and program recommendations for potential areas of improvement such as operational efficiencies, decreased turnaround times, streamlining business processes, and improved customer service with the goal of providing maximum value for resources expended.

Ensures performance auditing is conducted within established policies, procedures, and rules.

Reviews and interprets new legislation and statutes, determines impacts to business operations, and implements changes to ensure compliance.

Manages and coordinates auditing functions and activities to improve processes, performance, and facilitates studies and projects.

Subject matter expert in the area of performance auditing and related activities, guiding management with decision making, and acts as a liaison in guiding agencies and departments in matters of operational performance and compliance.

Reviews, develops, or modifies work plans, methods and procedures, determines work priorities, and develops work schedules to provide adequate staff coverage. Provides work instruction and assists employees with difficult or unusual assignments. Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Conducts hiring interviews and selects candidates for job openings.

Resolves problems and mediates conflicts encountered during daily operations, and determines appropriate solutions, while promoting teamwork. Encourages regular communication and informs staff of relevant business issues.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Develops and implements training plans and programs.

Documents causes for disciplinary action, initiates letters of reprimand, and makes formal recommendations for disciplinary action. Responds to formal and informal employee grievances and prepares written responses.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
