

Office of Human Resources
Internal Auditor Lead - CV2240
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs regularly assigned lead work over professional auditors engaged in conducting internal audits, including performance, financial, IT and compliance audits, and preparing reports in accordance with Generally Accepted Government Auditing Standards to ensure compliance with rules and policies, and measures performance for efficiencies.

Distinguishing Characteristics

The Lead Performance Auditor is distinguished from the Senior Performance Auditor, which performs full performance level internal performance auditing work and assignments; and, is distinguished from the Performance Audit Supervisor, which performs professional level supervision over internal performance auditors and support staff.

Level of Supervision Exercised

Performs regularly assigned lead work over two or more professional performance auditors.

Essential Duties

Leads and conducts performance, financial, compliance, and contract audits and evaluations of city organizations and programs that include, but are not limited to effectiveness, efficiency, public policy assessment, governance, and internal control and compliance objectives as defined by Generally Accepted Government Auditing Standards.

Researches best practices, performance benchmarks, industry trends, applicable laws, policies, procedures, and methods, and academic literature in order to measure program and organizational activities, and develop a working knowledge of processes, in order to decrease time, streamline processes and services, and ensure compliance with rules and policies.

Leads audit procedural plans, which includes developing overall purpose, timeline, and criteria standards, defining scope of work and objectives, and determining fieldwork activities.

Leads and develops a wide range of qualitative and quantitative procedures and methodologies to review and evaluate business practices, operations, and records.

Leads the development of surveys and questionnaires, and conducts fieldwork (interviews and investigations) to gather information, work samples, evidence, and gain an understanding of business operations and procedures.

Applies audit procedures, methodologies, and generally accepted auditing standards in examining records and documents, evaluating operational efficiencies, effectiveness, and internal controls to ensure transactions are properly recorded and in compliance of policies and procedures.

Leads statistical analysis and data gathering projects in order to assemble and configure findings into meaningful formats that support conclusions and recommendations.

Leads the preparation and presentation of final audit reports to stakeholders and client organizations, which includes identifying and developing audit findings and supporting conclusions, determining efficiency and effectiveness of processes, summarizing areas of concern or risk, and recommending courses of action for compliance.

Ensures performance audits are conducted in compliance with generally accepted auditing standards and associated city rules and policies, and collaborates with internal review processes.

Develops or modifies work plans, methods, and procedures, determines work priorities, and develops work schedules to provide adequate staff coverage.

Provides work instruction and assists employees with difficult and unusual assignments.

Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Resolves problems encountered during daily operations and determines appropriate solutions.

Contributes to the development of performance goals, documents performance, provides performance feedback, and provides information to inform the formal performance evaluation.

Responds orally to informal grievances and relays information to the supervisor.

Documents and records situations, which may be cause for disciplinary action and provides this information to the supervisor.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies
