General Statement of Duties

Performs full performance professional level auditing work, conducting internal audits, including performance, financial, IT and compliance audits, preparing reports in accordance with Generally Accepted Government Auditing Standards to ensure compliance with rules and policies, and measures performance for efficiencies.

Distinguishing Characteristics

The Senior Internal Auditor is distinguished from the Associate Internal Auditor, which performs intermediate level professional auditing work, including assisting with projects and assignments; and, is distinguished from the Lead Performance Auditor, which performs permanently assigned lead work over professional performance auditors.

Guidelines, Difficulty and Decision-Making Level

Guidelines are generally but not always clearly applicable, requiring the employee to exercise judgment in selecting the most pertinent guideline, interpret precedents, adapt standard practices to differing situations and recommend alternative actions in situations without precedent.

Duties assigned are generally complex and may be of substantial intricacy. Work assignment is performed within an established framework under general instructions but requires simultaneous coordination of assigned functions or projects in various stages of completion.

Employee is responsible for determining time, place, and sequence of actions to be taken. Unusual problems or proposed deviations from guidelines, practices or precedents may be discussed with the supervisor before being initiated.

Level of Supervision Received & Quality Review

Under general supervision, the employee receives assignments and is expected to carry them through to completion with substantial independence. Work is reviewed for adherence to instructions, accuracy, completeness and conformance to standard practice or precedent. Recurring work clearly covered by guidelines may or may not be reviewed.

Interpersonal Communication & Purpose

Contacts with the public or employees where explanatory or interpretive information is exchanged, gathered, and defended, and discretion and judgment are required within the parameters of the job function.

Level of Supervision Exercised

By position, performs elements of leadwork over professional audit staff.

Essential Duties

Conducts performance, financial, compliance, and contract audits and evaluations of city organizations and programs that include, but are not limited to effectiveness, efficiency, public policy assessment, governance, and internal control and compliance objectives as defined by Generally Accepted Government Auditing Standards.
Researches best practices, performance benchmarks, industry trends, applicable laws, policies, procedures, and methods, and academic literature in order to measure program and organizational activities, and develop a working knowledge of processes, in order to decrease time, streamline processes and services, and ensure compliance with rules and policies.

Designs audit procedural plans, which includes developing overall purpose, timeline, and criteria standards, defining scope of work and objectives, and determining fieldwork activities.

Develops a wide range of qualitative and quantitative procedures and methodologies to review and evaluate business practices, operations, and records.

Develops surveys and questionnaires, and conducts fieldwork (interviews and investigations) to gather information, work samples, evidence, and gain an understanding of business operations and procedures.

Applies audit procedures, methodologies, and generally accepted auditing standards in examining records and documents, evaluating operational efficiencies, effectiveness, and internal controls to ensure transactions are properly recorded and in compliance of policies and procedures.

Statistically analyzes data, information, and records, in order to assemble and configure findings into meaningful formats in supporting conclusions and recommendations.

Prepares and presents final audit reports to stakeholders and client organizations, which includes identifying and developing audit findings and supporting conclusions, determining efficiency and effectiveness of processes, summarizing areas of concern or risk, and recommending courses of action for compliance.

Ensures performance audits are conducted in compliance with generally accepted auditing standards and associated city rules and policies, and collaborates with internal review processes.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
