Office of Human Resources

Learning and Development Analyst – CA3008

**General Statement of Duties**

Develops and delivers learning content. May maintain a Learning Management System or other educational repository. Evaluates program results and generates reports that guide the direction and training decisions for the program.

**Distinguishing Characteristics**

This class is part of the Learning and Development job series. The job series encompasses the following job classifications and a summary of their essential job function is as follows:

- **Learning and Development Analyst:** This job is the first level of a three-level series. The essential function of this job is to develop and deliver learning content, potentially maintain a Learning Management System or other educational repository, evaluate program results, and generate reports that guide the direction and training decisions for the program.

- **Senior Learning and Development Analyst:** This job is the second level of a three-level series. The essential function of this job is to design content for the online learning system by consulting Subject Matter Experts, develop and track evaluations, design, develop and deliver competency-based learning programs, resources and curriculum, and serve as an advocate for City University online learning system.

- **Learning and Development Administrator:** This job is the third level of a three-level series. The essential function of this job is to design content for learners and facilitators by evaluating organizational needs, via needs assessments, interviews, evaluation results, or intakes with clients (such as employees or managers) and subject matter experts, potentially manage part or all of an individualized program, including serving as content designer and/or facilitator, and evaluate and continuously improve organizational and individual training.

**Guidelines, Difficulty and Decision-Making Level**

Guidelines are generally but not always clearly applicable, requiring the employee to exercise judgment in selecting the most pertinent guideline, interpret precedents, adapt standard practices to differing situations, and recommend alternative actions in situations without precedent.

Duties assigned are generally complex and may be of substantial intricacy. Work assignment is performed within an established framework under general instructions but requires simultaneous coordination of assigned functions or projects in various stages of completion.

Employee is responsible for determining time, place, and sequence of actions to be taken. Unusual problems or proposed deviations from guidelines, practices, or precedents may be discussed with the supervisor before being initiated.

**Level of Supervision Received & Quality Review**

Under administrative supervision, the employee receives assignments and is expected to carry them through to completion with substantial independence. Work is reviewed for adherence to instructions, accuracy, completeness, and conformance to standard practice or precedent. Recurring work clearly covered by guidelines may or may not be reviewed.
Interpersonal Communication & Purpose

Contacts with the public or employees where explanatory or interpretive information is exchanged, gathered, or presented and some degree of discretion and judgment are required within the parameters of the job function.
