General Statement of Duties

Performs full performance learning and development administration in a human resources department to design content for employees and facilitators by evaluating organizational and city needs and strategic plans. Administers individualized programs for employees, including serving as content designer and/or facilitator. Evaluates and continuously improves organizational and individual training. Serves as administrator and expert in the city learning management system (LMS).

Distinguishing Characteristics

This class is part of the Learning and development job series. The job series encompasses the following job classifications and a summary of their essential job function is as follows:

- Learning and Development Analyst: This job is the first level of a three-level series. The essential function of this job is to develop and deliver learning content, potentially maintain a Learning Management System or other educational repository, evaluate program results, and generate reports that guide the direction and training decisions for the program.

- Senior Learning and Development Analyst: This job is the second level of a three-level series. The essential function of this job is to design content for the online learning system by consulting Subject Matter Experts, develop and track evaluations, design, develop and deliver competency-based learning programs, resources and curriculum, and serve as an advocate for City University online learning system.

- Learning and Development Administrator: This job is the third level of a three-level series. The essential function of this job is to design content for learners and facilitators by evaluating organizational needs, via needs assessments, interviews, evaluation results, or intakes with clients (such as employees or managers) and subject matter experts, potentially manage part or all an individualized program, including serving as content designer and/or facilitator, and evaluate and continuously improve organizational and individual training.

Guidelines, Difficulty and Decision-Making Level

Guidelines are generally in the form of stated objectives only, with issues and factors largely undefined, requiring the employee to exercise creativity and ingenuity in devising criteria, techniques, strategy and methodologies for approaching assigned functions or projects.

Duties performed involve concepts, theories and concrete factors to be evaluated and weighed, requiring a high degree of analytical ability, and independent judgment and decision-making.

Work assignment is generally unstructured and employee is responsible for organizing complex, varied and simultaneous coordination of several functions, programs or projects in various stages of completion.

Level of Supervision Received & Quality Review

Under general supervision, the employee receives assignments and is expected to carry them through to completion with substantial independence. Work is reviewed for adherence to instructions, accuracy, completeness and conformance to standard practice or precedent. Recurring work clearly covered by guidelines may or may not be reviewed.
Interpersonal Communication & Purpose

Contacts are of a remedial nature involving the resolution of problems and where some degree of discretion and judgment are required in carrying out a major program and/or function of the organization.

Level of Supervision Exercised

By position, performs lead work and/or supervises human resources staff.

Essential Duties

Acts as a subject matter expert in one or more employee and management learning and development disciplines and provides leadership, focus, and direction to department/agency leadership.

Designs, develops, implement, evaluates, and improves organizational and individual development projects, programs, interventions and initiatives. Conducts assessments, gap analysis, and strategy development for learning and development plans, programs, and initiatives. Builds development strategies and sees them through to execution.

Designs citywide programs and processes to support citywide learning and development initiatives. Facilitates instructor led training. Designs and selects content and accompanying materials for learning opportunities. Evaluates learning programs.

Provides expertise to the internal and external customers with learning and development needs, professional coaching and team facilitation activities. Coaches employees for career, individual development, solution finding, and business solutions.

Serves as administrator for employee training using a third-party learning management system (LMS). Serves as liaison to LMS vendor and participates in vendor selection and escalates complex or unusual LMS scenarios to vendor. Works with Technology Services to ensure LMS is available to all eligible employees.

Facilitates learning interventions and team meetings as directed by agency business strategy.

Leads the delivery of management development, leadership, and recognition programs. Works with the agency leaders and trainers to identify the needs of the leadership staff and through working with internal and external partners to deliver valuable insight, training, and recommendations.

Works with supervisors and managers to assist in the development of performance management, set SMART goals and identify and assess employee competencies.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
