General Statement of Duties

Creates cataloging records for complex and specialized materials, recommends cataloging policies and procedures, and supervises a cataloging team.

Distinguishing Characteristics

This position catalogs specialized and foreign language materials and supervises a cataloging team. It is distinguished from the Reference Librarian which resolves operational problems and supervises staff.

Guidelines, Difficulty and Decision-Making Level

Guidelines are in the form of stated objectives for the section, unit, function or project. Work assignment is generally unstructured and employee is responsible for assigning and supervising a variety of functions to achieve the objectives of the section, unit or project.

Duties performed involve weighing and evaluating factors requiring judgment, analytical ability and problem solving.

Employee is responsible for simultaneous coordination and supervision of several functions, programs or projects in various stages of completion.

Level of Supervision Received & Quality Review

Under administrative supervision, the employee has personal accountability for carrying out an assigned function, program or project within the scope of established guidelines and objectives and is expected to resolve problems that arise in the normal course of the work. Completed work is generally reviewed for soundness of judgment, conclusion, adequacy and conformance to policy.

Interpersonal Communication & Purpose

Contacts of a non-prescribed nature involving the negotiation and resolution of non-routine problems encountered and where exceptional degrees of discretion and judgment and specialized knowledge are required in carrying out the programs and policies of an organization.

Level of Supervision Exercised

Supervises two or more employees who do not supervise.

Essential Duties

Catalogs specialized and foreign language materials, including the use of non-Roman script or non-standardized information.

Implements and interprets policies and procedures developed by higher level managers. Develops, recommends and coordinates the implementation of new procedures for the assigned function.

Plans, schedules, coordinates, assigns work and establishes priorities for subordinate employees based on goals and individuals capabilities.
Describes materials according to content and physical characteristics and creates original on-line records using a variety of computerized systems of codes and indicators in variable fields.

Performs research and analysis of library materials to obtain cataloging information and creates records for interlibrary and national cataloging databases.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Reviews work upon completion for adherence to guidelines and standards.

Develops and implements staff training and development plans to provide cross training of employees, specific job related training, and other approaches to provide opportunities for staff flexibility and development.

Researches developments in catalog methodology, rules, classification, and automated information retrieval systems.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
