Office of Human Resources

Operational Supervisor I – CA2313

General Statement of Duties

Performs supervisory duties over administrative, paraprofessional, and/or technical staff and supports professional and/or higher level supervisors/managers through the application of the principles of a particular discipline, profession, and/or field of study in order to accomplish the operational goals of the assigned area(s).

Distinguishing Characteristics

This class performs supervisory duties over administrative, paraprofessional, and/or technical staff and supports professional and/or higher level supervisors/managers through the application of the principles of a particular discipline, profession, and/or field of study in order to accomplish the operational goals of the assigned area(s).

This class is distinguished from an Operational Supervisor II that performs second level supervisory work over a section(s) through subordinate supervisors of administrative, paraprofessional, and/or technical staff, provides leadership, direction, and long range and short term planning, and directs operational policy development and performance criteria for the assigned area(s) in conjunction with departmental plans and goals. The Operational Supervisor I class is distinguished from the Supervisor of Administrative Support I class that supervises and coordinates the activities of workers involved in providing office support work.

The Operational Supervisor I class is distinguished from the Staff Assistant class that performs paraprofessional level work assisting professional staff in the execution and application of a specific administrative function(s) to the operations of an organization. Additionally, a Staff Assistant is responsible for administrative functions which are typically performed by an administrator or professional level class that have been delegated by a supervisor/manager to support an operational or functional area(s). A Staff Assistant may be assigned supervisory responsibilities over office support staff but would not supervise administrative, paraprofessional, or technical employees.

Guidelines, Difficulty and Decision-Making Level

Work assignment is generally unstructured and employee is responsible for assigning and supervising a variety of functions to achieve the objectives of the section, unit, or project. Duties performed involve weighing and evaluating factors requiring judgment, analytical ability, and problem solving.

Employee is responsible for simultaneous coordination and supervision of several functions, programs, or projects in various stages of completion.

Level of Supervision Received & Quality Review

Under administrative supervision, the employee has personal accountability for carrying out an assigned function, program, or project within the scope of established guidelines and objectives and is expected to resolve problems that arise in the normal course of the work. Completed work is generally reviewed for soundness of judgment, conclusion, adequacy, and conformance to policy.

Interpersonal Communication & Purpose

Contacts of a non-prescribed nature involving the negotiation and resolution of non-routine problems and where exceptional degrees of discretion, judgment, and specialized knowledge are required in carrying out the programs and policies of an organization.
Level of Supervision Exercised

Supervises two or more administrative, paraprofessional, and/or technical staff members and may supervise office support staff.

Essential Duties

Performs supervisory duties over administrative, paraprofessional, and/or technical staff, implements and monitors performance criteria in order to achieve the unit’s goals and objectives, and keeps supervisory/management level personnel abreast of trends and issues in the work area.

Supports professional and/or higher level supervisors/managers by performing a variety of operational functions including operational and financial analysis, reporting and evaluation, information management, computer operations, expenditure control, budget development, accounting, purchasing and procurement, and process improvement.

Plans, assigns, and evaluates the work of staff members, provides technical expertise to staff, establishes and/or monitors current methods and policies, and recommends changes in practices and procedures to increase operating efficiency and expedite work flow.

Trains new staff members on applicable standards, regulations, and requirements for the assigned work area(s), orients staff with appropriate policies and procedures, and ensures that work conforms to policies, standards, and regulations.

Develops or modifies work plans, methods, and procedures and determines work priorities.

Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Resolves problems encountered during daily operations and determines standards for problem resolution including escalations from clients.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Responds to formal and informal employee grievances and prepares written response.

Documents causes for disciplinary action and initiates letters of reprimand and formal recommendations for disciplinary action.

Provides work instruction and assists employees with difficult and/or unusual assignments.

By position, assists in the development and processing of contracts including participating in drafting RFP for contracts, evaluating proposals, and administering contracts for compliance and expenditures.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
