General Statement of Duties

Performs supervisory duties and directs the operations of the Emergency Service Dispatcher Unit at the Denver Department of Health and Hospitals.

Distinguishing Characteristics

The Paramedic Dispatch Supervisor class performs first-line supervisory duties over workers who operate and monitor radio, telephone, or computer equipment to receive reports of medical emergencies and relay information or orders to proper officials and who are authorized to render medical treatment over the phone.

Guidelines, Difficulty and Decision-Making Level

Guidelines are in the form of stated objectives for the section, unit, function or project.

Work assignment is generally unstructured and employee is responsible for assigning and supervising a variety of functions to achieve the objectives of the section, unit or project. Duties performed involve weighing and evaluating factors requiring judgment, analytical ability and problem solving.

Employee is responsible for simultaneous coordination and supervision of several functions, programs or projects in various stages of completion.

Level of Supervision Received & Quality Review

Under administrative supervision, the employee has personal accountability for carrying out the work objectives of an organizational unit or section within the scope of established guidelines and the mission of the agency of the department. Employee is expected to resolve problems that arise in the normal course of the work. Work may be discussed with higher level supervisors and reviewed for soundness of judgment and feasibility of decisions.

Interpersonal Communication & Purpose

Contacts of a non-prescribed nature involving the negotiation and resolution of non-routine problems encountered and where exceptional degrees of discretion and judgment and specialized knowledge are required in carrying out the programs and policies of an organization.

Level of Supervision Exercised

Supervises two or more full time employees who do not supervise.

Essential Duties

Supervises the emergency service dispatchers and ensures appropriate response of emergency medical services to the public.

Investigates complaints, resolves problems with the public and employees, and provides information to various agencies and groups regarding the services, regulations, and unit policies.

Develops or modifies work plans, methods and procedures, determines work priorities and develops work schedules to provide adequate staff coverage. Provides work instruction and assists employees with difficult and/or unusual assignments; encourages innovation. Assigns and distributes work, reviews work for accuracy and completeness and returns assignments with recommendations for proper completion.
Conducts hiring interviews and selects candidate(s) for job opening(s).

Resolves problems and mediates conflicts encountered during daily operations and determines appropriate solutions; promotes teamwork. Encourages regular communication, informs staff of relevant business issues and their impact on the organization.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Documents causes for disciplinary action and initiates letters of reprimand and makes formal recommendations for disciplinary action. Responds to formal and informal employees grievances and prepares written responses.

By position, participates in planning and managing budget systems; prepares and presents budget recommendations to higher management; adjusts work plans/activities as a result of budget changes.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
