Office of Human Resources

Permit Review Technician Lead – CE3047

General Statement of Duties

Performs regularly assigned lead work over permit review technicians engaged in the review and approval of permits for public right-of-way access and residential and commercial construction projects.

Distinguishing Characteristics

The Lead Permit Review Technician is distinguished from the Permit Review Technician II, which reviews and approves permits for public right-of-way access, and issues permits for residential and commercial construction projects.

The Lead Permit Review Technician is distinguished from the Plans Review Supervisor, which is responsible for the supervision of permit and plans review personnel.

Guidelines, Difficulty and Decision-Making Level

Guidelines are generally but not always clearly applicable, requiring the employee to exercise judgment in selecting the most pertinent guideline, interpret precedents, adapt standard practices to differing situations and recommend alternative actions in situations without precedent.

Duties assigned are generally complex and may be of substantial intricacy. Work assignments are performed within an established framework under general instructions but requires simultaneous coordination of assigned functions or projects in various stages of completion.

Employee is responsible for determining time, place, and sequence of actions to be taken. Unusual problems or proposed deviations from guidelines, practices or precedents may be discussed with the supervisor before being initiated.

Level of Supervision Received & Quality Review

Under general supervision, the employee receives assignments and is expected to carry them through to completion with substantial independence. Work is reviewed for adherence to instructions, accuracy, completeness and conformance to standard practice or precedent.

Interpersonal Communication & Purpose

Contacts with the public or employees where explanatory or interpretive information is exchanged, gathered, and defended, and requires discretion and judgment as outlined within the parameters of the job function.

Level of Supervision Exercised

Performs lead work over permit review technicians.

Essential Duties

Performs lead work over permit review technicians working with contractors and property owners to initiate and login permit requests and applications, review and approve permit requests for public right-of-way access or usage, or issuing permits for zoning and building residential and commercial construction projects.
Provides on-the-job training, mentors new and established employees, and assists permit review technicians in processing and making determinations on difficult or complex permit review applications and requests, and acts as an arbitrator when problems occur between customers and employees.

Ensures compliance with zoning codes, building standards, and permit guidelines, which includes ensuring forms and applications are complete and accurate, working with customers on compliance issues, researching codes and regulations for specific language and requirements, and verifying licenses and certifications.

Monitors the review and approval of a variety of public right-of-way access permit requests, traffic control and work zone safety plans for street occupancy permits, permits for temporary signs and banners, permits for outdoor patios and seating, vending, and restaurant spaces, permits for parking, valet, and bagged meters, permits for street, alley, sidewalk, and gutter construction permits, and scheduling of inspections.

Monitors the review and issuance of a variety of zoning and building permits for residential and commercial construction projects and assignments.

Develops or modifies work plans, methods, and procedures, determines work priorities, and develops work schedules to ensure adequate staff coverage.

Provides work instruction and assists employees with difficult and unusual assignments.

Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Resolves problems encountered during daily operations and determines appropriate solutions.

Contributes to the development of performance goals, documents performance, provides performance feedback, and provides formal performance evaluation.

Responds orally to informal grievances and relays information to the supervisor.

Documents situations which may be cause for disciplinary action and provides this information to the supervisor.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Responds orally to informal grievances and relays information to the supervisor.

Documents situations which may be cause for disciplinary action and provides this information to the supervisor.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
