General Statement of Duties

Performs entry-level professional work by providing case management through interviewing, investigating, counseling, intake/assessment, case planning, and referral of clients under probation supervision. Preparation of pre-sentencing reports and other documents for the court.

Distinguishing Characteristics

The Probation Officer I is distinguished from Probation Officer II, which performs standard/intermediate level professional work providing case management through interviewing, investigating, counseling and referring clients for probation and preparing pre-sentencing reports and other documents for the court.

The Probation Officer I is also distinguished from the Probation Officer III, which performs full performance level professional work providing case management by interviewing, investigating, counseling and referring clients for probation and preparing pre-sentencing reports and other documents for the court. Probation Officer III also regularly performs lead work.

Guidelines, Difficulty and Decision-Making Level

Procedures, methods and techniques to be used are well established with options to be considered well defined. Tools, work aids and materials to be used are specified. Work steps are demonstrated or made clear by straightforward oral instructions.

Detailed oral and/or written instructions are normally given during the training period.

Duties assigned are primarily routine, repetitive and restricted in intricacy with little or no discretion in how they are carried out.

Level of Supervision Received & Quality Review

Under close supervision, the employee receives training to develop skills and abilities in a specific line of work or general occupational area. Work product is subject to close, continuous inspection.

Interpersonal Communication & Purpose

Contacts with the public or employees where information relative to the organization or its functions is received, relayed, or a service rendered, according to established procedures or instructions.

Level of Supervision Exercised

None

Essential Duties

Manage a caseload of clients under probation supervision by maintaining contact to ensure court requirements are met, such as reporting to the Probation Officer, adherence to court orders and coordinating any changes to treatment programs. Motivates and manages the offender’s probation period using a continuum of sanctions and incentives using professional discretion.

Conducts initial risk/needs assessment to assess criminogenic needs and risk severity. Interview clients to elicit information to determine client’s employment, economic, educational, social, criminal and emotional history to make referrals as appropriate.
Employ motivational interviewing to identify criminogenic needs, while addressing responsivity factors by utilizing trauma informed and culturally competent practices.

Develops and implements a case plan with the offender, with the goal of establishing pro-social behavior and repairing harm caused to the community and victim(s). Development of goals and objectives to support pro-social behaviors to reduce recidivism. Provide a variety of social services referrals and determines need for social, behavioral, medical, and/or psychological services. Provides guidance and crisis intervention. Monitors individual progress and level of engagement with services.

Collaborates with stakeholders to review and interpret monitored sobriety results, in order to establish and implement treatment goals and plans.

Prepares pre-sentence investigation reports, court motions, special reports, and probation reviews. Generates and serves probation revocation petitions. Testifies in court by providing testimony and preparing comprehensive reports that allows the court to make findings and recommendations that impact sentencing on revocation.

Conducts field interaction to evaluate compliance with terms and conditions of probation, as well as any special orders from the court. Builds rapport with the client, community, and their support system, while assessing peer and family associations. Verify the client's address and determine if they are in need of assistance with food, shelter, clothing, childcare, or other necessities.

On a rotating basis, is assigned to be Probation Court Representative (PCR), which includes coordination of the revocation docket in the courtroom, gathering cases from peers, ensuring that documentation is accurate, and provide feedback to peers. Provide case information to involved legal parties. Probation Officer I’s will be accompanied by a Probation Officer II or III for all court proceedings.

On a rotating basis, performs Officer of the Day duties according to department policies and procedures.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
