Office of Human Resources

Purchasing Technician – CA1774

General Statement of Duties

Reviews purchase request forms and inventory levels, researches current City bids for acquisition of parts, supplies and services.

Distinguishing Characteristics

The Purchasing Technician is highly trained and/or skilled in the technical aspect of the procurement of goods and services. This class is distinguished from the Staff Buyer which is an entry level in the professional buyer series in training in the application of professional standards to coordinate the procurement of goods and services, and is distinguished from Staff Assistant class which is responsible for operational analysis as it relates to the specific administrative functions that are assigned to the position. Staff Assistant is responsible for administrative functions which are typically performed by an administrator or professional level class that have been delegated by the manager to support an operational or functional area(s).

Guidelines, Difficulty and Decision-Making Level

Guidelines are generally but not always clearly applicable, requiring the employee to exercise judgment in selecting the most pertinent guidelines in order to interpret precedents, adapt standard practices to differing situations, and recommend alternative actions in situations without precedent.

Duties assigned are generally complex and may be of substantial intricacy. Work assignment is performed within an established framework under general instructions but requires simultaneous coordination of assigned functions of projects in various stages of completion.

Employee is responsible for determining time, place, and sequence of actions to be taken. Unusual problems or proposed deviations from guidelines, practice or precedents may be discussed with the supervisor before being initiated.

Level of Supervision Received & Quality Review

Under general supervision, the employee receives assignments and is expected to carry them through to completion with substantial independence. Work is reviewed for adherence to instructions, accuracy, completeness and conformance to standard practice or precedent. Recurring work clearly covered by guidelines may or may not be reviewed.

Interpersonal Communication & Purpose

Contacts with the public or employees where explanatory or interpretive information is exchanged, defended, gathered and discretion and judgment are required within the parameters of the job function.

Level of Supervision Exercised

By position, performs lead work.

Essential Duties

Contacts vendors to verify product descriptions, numbers, check pricing and availability of requested commodities.

Verifies parts or supply numbers to ensure ordering numbers correspond, make corrections as needed.
Obtains required approval, enters order information and places order with selected vendor.

Reviews bid contracts monitoring expiration dates and updates files.

By position utilizes a computer database to identify and resolve pricing, receiving and issuing discrepancies to ensure balancing of the inventory. Reconciles inventory balances to a variety of reports and supporting documents.

By position, effects the procurement of supplies/services using emergency or one time, non-recurring authorizations.

By position, maintains files and reviews all adjustments made or requested by other users for completeness and accuracy. Makes necessary changes to maintain the integrity of the system.

By position, runs cyclic inventory reports on a monthly basis and ensures proper computer inventory for current and projected usage.

By position, prepares purchase orders.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
