General Statement of Duties

Performs full performance level intensive social case work services including case management, counseling, referral, placement, and assessment/evaluation which requires independent judgment and a significant understanding and application of professional principles and departmental standards.

Distinguishing Characteristics

This class performs full performance level intensive social case work services including case management, counseling, referral, placement, and assessment/evaluation. This class is distinguished from a Lead Social Case Worker that performs permanently assigned lead work over professional social case workers, assists a Social Case Worker Supervisor establish unit goals, plans, and specific unit functions, and provides intensive social case work services including case management, counseling, referral, placement, and assessment/evaluation. This class is distinguished from a Social Case Worker that performs standard performance level social case work services including case management, counseling, referral, placement, and assessment/evaluation on less complex assignments and receives supervision on more complex assignments.

Guidelines, Difficulty and Decision-Making Level

Guidelines are generally but not always clearly applicable, requiring the employee to exercise judgment in selecting the most pertinent guideline, interpret precedents, adapt standard practices to differing situations and recommend alternative actions in situations without precedent.

Duties assigned are generally complex and may be of substantial intricacy. Work assignment is performed within an established framework under general instructions but requires simultaneous coordination of assigned functions or projects in various stages of completion.

Employee is responsible for determining time, place and sequence of actions to be taken. Unusual problems or proposed deviations from guidelines, practices or precedents may be discussed with the supervisor before being initiated.

Level of Supervision Received & Quality Review

Under general supervision, the employee receives assignments and is expected to carry them through to completion with substantial independence. Work is reviewed for adherence to instructions, accuracy, completeness, and conformance to standard practice or precedent. Recurring work clearly covered by guidelines may or may not be reviewed.

Interpersonal Communication & Purpose

Contacts with the public or employees where explanatory or interpretive information is exchanged, defended, and gathered and discretion and judgment are required within the parameters of the job function.
