Office of Human Resources

Speech Therapist – CO0627

**General Statement of Duties**

Performs full performance professional level work providing diagnostic and rehabilitative services in the treatment of speech, language, voice, cognitive, and swallowing disorders.

**Distinguishing Characteristics**

This classification is located at Denver Health Medical Center and is being maintained for promotional purposes.

**Guidelines, Difficulty and Decision-Making Level**

Guidelines are generally but not always clearly applicable, requiring the employee to exercise judgment in selecting the most pertinent guideline, interpret precedents, adapt standard practices to differing situations, and recommend alternative actions in situations without precedent.

Duties assigned are generally complex and may be of substantial intricacy. Work assignment is performed within an established framework under general instructions but requires simultaneous coordination of assigned functions or projects in various stages of completion.

Employee is responsible for determining time, place, and sequence of actions to be taken. Unusual problems or proposed deviations from guidelines, practices, or precedents may be discussed with the supervisor before being initiated.

**Level of Supervision Received & Quality Review**

Under administrative supervision, the employee has personal accountability for carrying out an assigned function, program, or project within the scope of established guidelines and objectives and is expected to resolve problems that arise in the normal course of the work. Completed work is generally reviewed for soundness of judgment, conclusion, adequacy, and conformance to policy.

**Interpersonal Communication & Purpose**

Contacts are of a remedial nature involving the resolution of problems and where some degree of discretion and judgment are required in carrying out a major program and/or function of the organization.

**Level of Supervision Exercised**

None

**Essential Duties**

Examines, tests, diagnoses and administers remedial treatments for patients with speech, language, voice, cognitive, and swallowing disorders.

Counsels and guides patients and their families in impairment correction programs.

Confers with coordinators on diagnostic and remedial procedures. Refers patients to other agencies for treatment of problems related to or underlying speech, language, cognitive, swallowing and voice disorders.

Assists in the training of volunteers and technical staff in speech, language, cognitive, swallowing and voice testing.
Prepares written documentation as required by the profession and the department.

Maintains established departmental policies and procedures, quality improvement, safety, environmental and infection control standards.

Enhances professional growth and development through participation in educational programs, receiving current literature, and attending in-service meetings and workshops.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

**Competencies**

Interpersonal Skills - Shows understanding, friendliness, courtesy, tact, empathy, cooperation, concern, and politeness to others and relates well to different people from varied backgrounds and different situations.

Learning – Uses efficient learning techniques to acquire and apply new knowledge and skills and uses training, feedback, or other opportunities for self-learning and development.

Problem Solving - Identifies problems, determines accuracy and relevance information, and uses sound judgment to generate and evaluate alternatives and to make recommendations.

Teaching Others - Helps others learn through formal or informal methods; identifies training needs; provides constructive feedback; coaches others on how to perform tasks; acts as a mentor.

Technical Competence - Uses knowledge that is acquired through formal training or extensive on-the-job experience to perform one's job; works with, understands, and evaluates technical information related to the job; advises others on technical issues.

Written Communication - Composes, reviews, edits, and issues written materials for diverse audiences and communicates purpose in a succinct and organized manner that is appropriate for context, time, and place.
