

Office of Human Resources
Stockroom Manager - CJ2603

THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Supervises two or more first-level supervisors and/or multiple locations and multiple shifts involved in the distribution of a variety of supplies, materials, parts, and equipment.

Distinguishing Characteristics

Stockroom Manager is distinguished from Aviation Materials Administrator who has responsibility for supervising first-level supervisors and managing the inventory and receiving operations of supplies and materials, including exception handling, for Denver International Airport. It is distinguished from Stockroom Supervisors who are first-line supervisors over a stockroom and staff procuring and distributing a variety of supplies, materials, parts, and equipment.

Level of Supervision Exercised

Supervises two or more first-level supervisors and/or multiple locations and multiple shifts.

Essential Duties

Supervises the work of supervisors and technicians involved in procuring and distributing a variety of supplies, materials, parts, and equipment and coordinates activities between stockroom and other departments. Resolves operational and unforeseen procedural problems and addresses other concerns as directed or necessary.

Controls inventory for items stocked and determines minimum and maximum stocking levels and monitors supply and material disbursements to ensure inventory accuracy.

Researches alternate sources for parts and materials to reduce cost on stockroom items and confers with vendors on parts availability. Authorizes purchases for the department.

Coordinates the identification and disposal of surplus or outdated parts, equipment and materials.

Receives and executes requests for special moves of equipment and materials.

Develops or modifies work plans, methods and procedures, determines work priorities and develops work schedules to provide adequate staff coverage. Provides work instruction and assists employees with difficult and/or unusual assignments; encourages innovation. Assigns and distributes work, reviews work for accuracy and completeness and returns assignments with recommendations for proper completion.

Develops the performance enhancement plan, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Develops and implements training and development plans and opportunities for subordinate staff.

Resolves problems encountered during daily operations and determines appropriate solutions; promotes teamwork. Encourages regular communication, informs staff of relevant business issues and their impact on the organization.

Conducts interviews and selects staff reporting directly to this position and assists with other interviews as required.

Documents causes for disciplinary action and initiates letters of reprimand and makes formal recommendations for disciplinary action. Responds to formal and informal employee grievances and prepares written responses.

By position, may be required to be on-call to address emergent needs.

Performs other duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Decision Making – Specifies goals and obstacles to achieving those goals, generates alternatives, considers risks, and evaluates and chooses the best alternative in order to make a determination, draw conclusions, or solve a problem.

Delivering Results - Sets high standards for quality, quantity, and timelines. Focuses on customer needs and satisfaction. Consistently achieves project goals.

Influencing - Collaborates with, persuades and influences others.

Reading - Understands and interprets written material including technical material, rules, regulations, instructions, reports, charts, graphs, or tables and applies what is learned from written material to specific situations.

Technical Competence – Uses knowledge that is acquired through formal training or extensive on-the-job experience to perform one's job; works with, understands, and evaluates technical information related to the job; advises others on technical issues.

Coaching - Provides others with clear direction, motivates, and empowers. Recruits staff of a high caliber and provides staff with development opportunities and coaching.

Written Communication – Composes, reviews, edits, and issues written materials for diverse audiences and communicates purpose in a succinct and organized manner that is appropriate for context, time, and place.
