RULE PROPOSAL 422B

TO: Appointing Authorities, Managers, and Employees

FROM: Nita Mosby Henry, CSA Executive Director

DATE: May 18, 2012

SUBJECT: Proposed revision of Career Service Rule 11-120 Disability Leave and related rules

THIS PROPOSED REVISION TO THE CAREER SERVICE RULES IS BEING POSTED FOR PUBLIC COMMENT AND HEARING TO BE HELD ON

THURSDAY, June 7, 2012, at 5:00 P.M.
Webb Building Room 4.G.2

Here is a summary of the proposed changes to this rule:

- Divide the rule into two parts; one dealing with disability leave (the first 90 days of a work-related injury, governed by City ordinance), and the other dealing with Workers’ Compensation leave (which commences after disability leave ends);

- Employees on Workers’ Compensation leave can only use paid leave to make up the difference between 80% of their base salary and the amount paid as temporary disability benefits (instead of the ability to use paid leave to pay entire salary regardless of temporary disability benefits as currently permitted in the rule). Employees on disability leave are not permitted to use other paid leave.

- Quotations and paraphrases of the Disability Leave Ordinance have been removed from the rule. A copy of the Disability Leave Ordinance will be attached as an appendix to Rule 11.

- Agencies will be required to place employees on disability leave or Workers’ Compensation leave on FMLA leave at the same time if the requirements of the FMLA are met.

- The Rule now explains how employees on Workers’ Compensation leave are treated with regard to leave accruals, paid holidays and payment of insurance premiums.

- Work absences caused by medical examinations or treatments related to an employee’s Workers’ Compensation claim will be treated as time worked

If you would like to schedule a meeting with a member of Career Service Authority to discuss this proposal prior to the Public Hearing, please contact Pete Garritt at (720) 913-5671.

Section 11-410 40 Disability Leave and Workers' Compensation Leave

11-41 Disability Leave

A. The City provides paid disability leave amounting to eighty percent (80%) of an employee’s gross salary for up to ninety (90) consecutive calendar days from the date of injury for each occupational injury or occupational disease arising out of and within the course and scope of employment with the City (see Disability Leave Ordinance, attached as Appendix A).

B. An employee on disability leave shall not be permitted to use other available paid leave concurrently with the disability leave.

A. The Revised Municipal Code provides that under certain conditions and after compliance with certain requirements “...eligible employees shall be granted disability leave with pay for a period not to exceed ninety (90) calendar days.”

B. Compensation during disability leave shall be eighty percent (80%) of gross salary.

11-123 Eligibility for Disability Leave

An employee shall be considered eligible for disability leave if such employee:

A. Type of Position: Holds a full-time or part-time position but not an on-call position.

B. Compliance with Ordinance: Has complied with the provisions of Sec. 18-287 of the Revised Municipal Code, 1982 codification, relating to reporting requirements and to examination and emergency treatment by the Employee's Medical clinic.

C. Disability: Is physically or mentally unable to perform the duties of the employee’s position or any other position within the City and County of Denver due to injury, occupational disease or accident experienced in the course of employment.

11-124 Granting of Disability Leave

Appointing authorities shall grant disability leave to eligible employees in accordance with the following provisions:
A. Authority for disability leave pay: For absence in excess of three (3) calendar days, allowance of a claim for temporary disability benefits under the provisions of the Workmen's Compensation Act or the Occupational Disease Disability Act shall constitute authority for disability leave pay for a period of ninety (90) calendar days retroactive to the first day of disability.

B. Notification of injury: Every employee who sustains an injury in the course of his employment shall notify his supervisor within two (2) days of its occurrence, unless:

1. The employee is physically or mentally unable to do so; or
2. Someone else reports the accident within the specified time limit; or
3. The supervisor or person in charge has actual notice of the injury.

If an employee fails to report an injury, he shall lose one (1) day's disability leave for each day's failure to so report; the number of penalty days established by the representative of the State Compensation Insurance Fund or Division of Labor shall constitute the number of disability leave days lost for late reporting.

For absences of three (3) calendar days or less and for penalty days deducted from disability leave because of late reporting, the employee may use other paid or unpaid leave if eligible under the terms of these rules.

C. Reimbursement to City for advances on benefits: Temporary disability benefits due the employee from the Workers Compensation Fund for the duration of the disability leave shall be deposited to the credit of the City.

D. Required physical examination: Any employee on disability leave may be required to report to Denver General Hospital for periodic physical examinations. Compliance with such requirements shall be a condition for the continuation of an approved disability leave with pay. An employee shall report to Denver General Hospital for a physical examination prior to being returned to work from disability leave.

E. Effect of reduced or disallowed claims: No disability leave with pay shall be granted if the employee's claim for temporary workers compensation benefits has been disallowed or reduced under the terms of the state laws cited above, except as provided in paragraph 11-124 B. Notification of Injury. In the instance listed above, an employee absent from duty may use other paid or unpaid leave if eligible under the terms of these rules.

11-125 Expiration of Disability Leave
11-42 Workers’ Compensation Leave

A. An employee who remains unable to return to work continues to be disabled after the disability leave allowed by the Denver Revised Municipal Code expires beyond the maximum disability leave of ninety (90) calendar days may use his accrued PTO, sick leave and vacation leave at full benefits in addition to the temporary disability compensation he receives from the Workmen’s Compensation Fund, and is receiving temporary disability benefits under the provisions of the Workers’ Compensation Act of Colorado, as amended, Title 8, Articles 40-47, C.R.S. (“the Act”), will be permitted to use Workers’ Compensation leave for absences from work resulting from the employee’s occupational injury or occupational disease arising out of and within the course and scope of employment with the City, until it is determined that the employee is no longer eligible to receive temporary disability benefits pursuant to the Act.

B. Workers’ Compensation leave is unpaid leave, except to the extent an employee elects to use available paid leave to make up the difference between eighty percent (80%) of the employee’s gross salary and the temporary disability benefits the employee receives under the provisions of the Act.

Disability leave shall not be granted beyond the date of mandatory retirement of an employee.

11-45 Termination of Disability Leave or Workers’ Compensation Leave Eligibility

A. Employees who are no longer eligible for temporary benefits under the Act are not eligible to continue receiving disability leave or Workers’ Compensation leave.

B. 11-126 Paid Time Off, Sick and Vacation Leave During Disability Leave

Employees who are granted disability leave shall continue to accrue PTO, sick and vacation leave credits for the duration of the disability leave.

11-127 Procedure for Disability Leave

Upon return of the employee to work or expiration of the disability leave, a personnel action returning the employee from leave shall be submitted.
10-22 Situations Where Approval of PTO Use is not Required

A. An employee may use PTO without requesting the approval of the employee’s appointing authority when the employee is incapacitated by sickness or injury; for necessary care and attendance during sickness of a member of the employee’s immediate family, and for qualifying conditions under the Family and Medical Leave Act ("FMLA"). Such use shall be subject to reporting and investigation requirements set forth in this Rule 10.

B.
