RULE PROPOSAL 430B

TO: Appointing Authorities, Managers, and Employees

FROM: Nita Mosby Henry, CSA Executive Director

DATE: February 8, 2013

SUBJECT: Proposed revision of the Career Service Rule 7-37 Effective Dates

THIS PROPOSED REVISION TO THE CAREER SERVICE RULES IS BEING POSTED FOR PUBLIC COMMENT AND HEARING TO BE HELD ON

THURSDAY, February 21, 2013, at 9:00 A.M.
Webb Building Room 4.G.2

Here is a summary of this rule change proposal:

The current rule backdates the effective date of changes to the classification and pay plan to when the Board approves them, even though it may take up to two months for City Council to approve changes after Board approval. This results in employees who think they are receiving a promotion or employees who are receiving working out of class pay during this two month period having to pay money back to the City. Under this proposal, the effective date of changes to the classification and pay plan will be when they become law. It retains the ability OHR has to create provisional classifications during the period between Board approval and City Council approval.

If you would like to schedule a meeting with a member of Career Service Authority to discuss this proposal prior to the Public Hearing, please contact Pete Garritt at (720) 913-5671.
7-37 Effective Dates

A. If it is determined, as a result of an audit or maintenance study, that changes to the classification and pay plan are necessary, the effective date of any resulting re-allocations shall be the beginning of the first work week following approval by the Mayor or by the City Council over the Mayor’s veto Board. Provisional classifications resulting from changes to the classification and pay plan may be used upon approval by the Board, but use for longer than six months is contingent upon City Council approval.

B. If a position is to be re-allocated as a result of an audit or maintenance study without requiring changes to the classification and pay plan, the effective date shall be the beginning of the first work week following the classification decision by the OHR.

C. If a position is to be re-allocated under the progressive classification series program, the effective date shall be the beginning of the first work week following the date of the appointing authority’s signature on the Progressive Classification Series Re-allocation Form.
