THIS PROPOSED REVISION TO THE CAREER SERVICE RULES IS BEING POSTED FOR PUBLIC COMMENT AND HEARING TO BE HELD ON

THURSDAY, May 5, 2016, at 5:00 P.M.
Webb Building Room 4.G.2

The Career Service Rules review project continues to make progress. The project will update the rules for the changes we’ve made in the city in recent years, remove duplication and redundancies, and consolidate rules wherever possible. The following information provides an update on the most recent rules change proposal. OHR is currently proposing revisions to the following Career Service Rules:

• Career Service Rule 10 PAID LEAVE
• Career Service Rule 11 UNPAID AND EXTENDED LEAVE

A public hearing has been scheduled before the Career Service Board on May 5, 2016 to consider this proposal and hear public comments about the proposed revisions. In addition to the revisions to Rules 10 and 11 summarized below, the OHR is taking parts of Rules 5 and 11 and creating a new Rule 12 LEAVE FOR EXTENDED ILLNESSES AND INJURIES.

Please refer to the following tables for information on the former rule description, the revised rule description and the intended impact of the revisions to Rules 10 and 11.

      iii. Be receiving ADA leave;

4. A Career Service employee may receive donated leave from a non-Career Service City employee provided that the donor employee’s department or agency allows employees to donate leave to Career Service employees and that the recipient requirements listed above have been met.

5. Employees who are eligible to receive donated leave may receive either donated PTO or donated sick leave regardless of whether the employee is enrolled in the PTO or sick and vacation leave plan.
**F.** Employees cannot use more than six hundred (600) hours of donated leave in a calendar year. Employees cannot receive donated leave to the extent that the donated leave will increase the employee’s PTO or sick leave bank over the applicable maximum accumulation limit.

B. A period of unpaid leave lasting longer than one hundred and eighty (180) consecutive calendar days and occurring during an employee’s probationary period shall not be counted as part of that period. The employee to whom such leave has been granted will resume his or her probationary period upon returning from the period of unpaid leave.

11-27 Budget Required Furlough

If the Mayor of the City and County of Denver decides or allows appointing authorities to furlough employees due to budgetary reasons, the following Career Service Rule applies:

A. This Rule is intended to comply with the Fair Labor Standards Act regulation 29 C.F.R. § 541.710, which permits furloughs for budgetary reasons without affecting the exemption status of an overtime exempt employee except in the workweek in which the furlough occurs and for which the employee’s pay is accordingly reduced.

B. Furloughs of overtime exempt employees may be taken in work day or workweek increments. During the workweek in which an overtime exempt employee takes one or more furlough days, the furlough hours taken and the hours worked plus any leave taken by the exempt employee should not total more than forty (40) hours. A work day is eight (8) hours for the purposes of this rule.

C. Furloughs of non-exempt employees need not be taken in work day or work week increments but cannot be taken in less than two (2) hour increments.

D. The Mayor may exempt certain employees from a mandatory furlough in order to maintain essential City services or for other necessary business reasons.

a. Have the City continue paying its share of the employee’s health, dental, and life insurance premiums.

b. Earn PTO, or sick and vacation leave, and

c. Receive paid holiday leave for holidays observed during a furlough. During the first thirty consecutive calendar days of a furlough, furlough days will be treated as days worked for the purposes of determining whether the employee worked on the scheduled work days immediately preceding and immediately following the day on which the holiday is observed.

G. Nothing herein precludes the Mayor from designating specific furlough days or otherwise determining how to implement mandatory furloughs.

Extensions beyond two (2) years may be granted.

D. Qualifications for return from military service:

The employee must be physically and mentally qualified and possess the necessary skills, knowledge and/or training to perform the essential functions of the position to which the employee is returning with or without reasonable accommodations. It is the policy of the Career Service Board to provide leave under the FMLA to eligible employees. The purpose of FMLA leave is to provide up to twelve weeks of job-protected leave in a twelve-month period to eligible employees for specified immediate family and medical reasons. This rule is intended to comply with and be interpreted consistent with the FMLA and its corresponding regulations. To the extent an issue is not addressed herein, or if there is a conflict with a Career Service Rule, the FMLA and its corresponding regulations shall govern.

12-21 When Leave under the FMLA May be Used

FMLA leave shall only be available:

A. For the birth and care of a newborn child of the employee (including a newborn child born into a domestic partnership);
B. For placement with the employee or the employee’s domestic partner (as defined in Rule 10 PAID LEAVE) of a child for adoption, foster care or legal guardianship;
C. To care for an employee’s parent, spouse or domestic partner, or child with a serious health condition;

Rule 12-clean version, prepared for 5/5/16 public hearing
E. For any other reason authorized by the FMLA.

An employee may be eligible for FMLA leave if the employee has:

A. Been employed by the City for at least twelve (12) months in the last seven (7) years; and

B. Worked at least twelve hundred and fifty (1,250) hours in the twelve (12) months immediately preceding the beginning of the FMLA leave.

12-23 Requesting FMLA leave

A. An employee may expressly request FMLA leave, or may merely state that he or she needs leave for a reason which the appointing authority knows is a qualifying reason for FMLA leave. In either instance, the appointing authority shall notify the employee that the leave may qualify as FMLA leave and request and provide information in accordance with this rule.

B. In any situation where the need for FMLA leave is foreseeable, an employee shall provide thirty (30) days notice or such notice as is practicable.

C. In any situation where the need for FMLA leave is not foreseeable, the employee shall provide such notice as is practicable. Such notice may be provided by the employee or the employee’s spokesperson if the employee is unable to do so personally. The employee or the employee’s spokesperson will provide more information as required by the appointing authority when it can be readily accomplished as a practical matter.

D. An employee requesting FMLA leave must provide to the appointing authority all information necessary to determine if such leave is appropriate, including:

1. The reasons for the leave so as to allow the appointing authority to determine if the conditions identified in subsection 12-21 of this Rule have been met.

2. The anticipated start of the leave.

3. The anticipated duration of the leave.

4. Whether or not the employee has a spouse or domestic partner who is also an employee of the City and County of Denver.

Information provided to the appointing authority regarding an employee’s FMLA leave shall be maintained in a confidential file separate from the employee’s personnel file.
E. A request for FMLA leave which does not satisfy the conditions identified in subsection 12-21 of this Rule may be denied or delayed.

F. A denial of a request for FMLA leave shall not preclude granting PTO or sick leave if the conditions identified in these rules are met.

12-24 Use of FMLA leave

A. No more than twelve (12) workweeks of FMLA leave may be used in any twelve (12) month period. The twelve (12) month period shall begin when FMLA leave was first used by an employee.

B. FMLA leave shall be granted consecutively, intermittently or on a reduced leave schedule, as provided for under the FMLA. Provided, however, if an employee requests FMLA leave intermittently or on a reduced leave schedule after the birth or placement of a child for adoption, foster care or legal guardianship, such leave shall be granted only if it is consistent with the reasonable operational necessity of the agency, as determined by the appointing authority.

C. It is the appointing authority's responsibility to designate qualifying leave as FMLA leave and the appointing authority shall notify the employee of such designation and provide other required information about FMLA leave. An employee cannot refuse to allow the appointing authority to designate qualifying leave as FMLA leave.

D. FMLA leave is unpaid leave, unless an employee elects to substitute available paid leave for unpaid FMLA leave, subject to the limitations in this Rule 12 on the use of paid leave while on salary continuation leave or Workers’ Compensation leave.

E. In the case where both spouses or domestic partners are employees, the amount of FMLA leave available shall be determined as follows:

1. When the leave is because of birth, adoption, foster care or legal guardianship of a child, the FMLA leave available for bonding shall be the combined total of twelve (12) weeks of FMLA leave during any twelve (12) month period as defined in the FMLA and its corresponding regulations.

2. When the leave is because of the “serious health condition” of a parent, the FMLA leave available shall be the combined total of twelve (12) weeks during any twelve (12) month period as defined in the FMLA and its corresponding regulations.

3. When the leave is because of a serious health condition of either or both employees or a child, twelve (12) weeks of FMLA leave may be used by each employee in any twelve (12) month period.
12-25 Secondary employment during FMLA leave

Appointing authorities may deny secondary employment during FMLA leave.

12-26 Investigation of Use of FMLA leave

Appointing authorities may investigate the use of FMLA leave consistent with the FMLA and its corresponding regulations, including by requiring a second opinion and third opinion, if appropriate, and by considering information that is inconsistent with an employee’s FMLA request. Misuse of FMLA leave may be cause for disciplinary action up to and including dismissal. An appointing authority may not discipline an employee for appropriate use of FMLA leave.

12-27 Re-assignment

If an employee needs intermittent leave or leave on an established reduced leave schedule that is foreseeable based on the planned medical treatment for the employee or the employee’s parent, spouse, domestic partner, or child, or if the appointing authority agrees to permit intermittent or reduced schedule leave for the birth of a child or for placement of a child for adoption, foster care or legal guardianship, the appointing authority may require the employee to transfer temporarily, during the period the intermittent or reduced leave schedule is required, to an available alternative position for which the employee is qualified and for which the modified schedule is less disruptive to the business and/or operational needs of the department or agency than the employee’s regular schedule.

12-28 Maintenance of Benefits

A. During any FMLA leave, the City must maintain the employee’s health insurance coverage under any group health plan on the same conditions as coverage would have been provided if the employee had been continuously working during the entire leave period.

B. It shall be the responsibility of an employee on unpaid FMLA leave to provide that share of payment(s) necessary to maintain health insurance coverage.

12-29 Return from FMLA Leave

A. An employee returning from FMLA leave due to his or her own serious health condition shall provide a certification from the employee’s health care provider that the employee is able to resume work. An employee further may be required to report periodically on the employee’s status and intent to return to work.

B. An employee returning from FMLA leave shall be returned to the same position the employee held when leave began or to an equivalent position which is defined by the FMLA regulations as a position that is virtually identical to the employee’s former position in terms of pay, benefits and working conditions.

C. An employee need not be re-instated if the employee would not otherwise have been employed at the time re-instatement is requested.
D. If the employee is unable to return to work at the conclusion of FMLA leave, the appointing authority shall initiate the interactive process as provided in this Rule 12, within twenty (20) days of the expiration of the employee’s FMLA leave, unless the employee is also on salary continuation leave or Workers’ Compensation leave.

Section 12-30 Salary Continuation Leave and Workers’ Compensation Leave

12-31 Definitions (for the purposes of this Section 12-30)

A. Disability: The physical inability of an eligible employee to perform the duties of his or her position, or any other position with the City.

B. Eligible employee: Any Career Service employee except:

1. Employees occupying on-call positions; and

2. Employees who hold positions in classifications in the Sheriff pay schedules (Deputy Sheriff, Deputy Sheriff Sergeant, Deputy Sheriff Captain, Deputy Sheriff Major, and Deputy Sheriff Division Chief).

12-32 Salary Continuation Leave

A. 1. The City provides paid disability leave (hereinafter “salary continuation leave”) at the rate of eighty percent (80%) of an employee’s gross salary for up to ninety (90) consecutive calendar days from the date of injury.

2. An eligible employee is entitled to salary continuation leave if the employee has a disability as a result of an occupational injury or occupational disease arising out of and in the course and scope of employment with the City.

B. An employee receiving salary continuation leave shall not be permitted to use other available paid leave.

C. Salary continuation leave will end on the employee’s last day as a City employee or if the employee is no longer eligible for temporary benefits under the Workers’ Compensation Act of Colorado, as amended, Title 8, Articles 40-47, C.R.S. (“the Act”).
**12-33** Workers’ Compensation Leave

A. An employee who remains unable to return to work in his or her job without accommodation, or to modified duty after salary continuation leave has been exhausted, and is receiving temporary disability benefits under the provisions of the Act, will be permitted to use Workers’ Compensation leave for absences from work resulting from the employee’s occupational injury or occupational disease arising out of and within the course and scope of employment with the City, until it is determined that the employee is no longer eligible to receive temporary disability benefits pursuant to the Act.

B. Workers’ Compensation leave is unpaid leave, except to the extent an employee elects to use available paid leave. An employee may use any available paid leave to make up the difference between eighty percent (80%) of the employee’s gross salary and the temporary disability benefits paid under the provisions of the Act.

**12-34** Applicability of the FMLA

A. The department or agency shall designate an employee’s salary continuation leave and/or Workers’ Compensation leave as FMLA leave if the requirements of the applicable Career Service and Federal statutes and regulations are met.

B. If an employee’s salary continuation leave and/or Workers’ Compensation leave is also designated as FMLA leave, the salary continuation leave and/or Workers’ Compensation leave shall run concurrently with the FMLA leave.

**12-35** Maintenance of Benefits

An employee who is absent from work on salary continuation leave or Workers’ Compensation leave is:

A. Eligible to have the City continue paying its share of the employee’s health, dental, and life insurance premiums during the period of salary continuation and/or Workers’ Compensation leave, so long as the employee continues to pay his or her share of the insurance premiums.

B. Eligible to earn paid leave as provided in these rules;

**12-36** Termination of Workers’ Compensation Leave Eligibility

A. Employees who are no longer eligible for temporary benefits under the Act are not eligible to continue receiving Workers’ Compensation leave.

B. If the employee’s permanent restrictions prohibit the employee from returning to work full-time and/or full-duty after having reached Maximum Medical Improvement (“MMI”), the City shall initiate the interactive process as provided in this Rule 12, within twenty (20) days of the expiration of the employee’s eligibility for salary continuation leave or Workers’ Compensation leave, unless the employee is also on FMLA leave.
C. Employees who are still receiving temporary benefits under the Act may lose their eligibility for Workers’ Compensation leave before reaching MMI if it is determined that they will be unable to return to work in any capacity. Such determination shall be made by the ADA Coordinator, after consulting with representatives from the City Attorney’s Office and the City’s Workers’ Compensation Unit. Once this determination is made, the City shall initiate the interactive process as provided in this Rule 12, within twenty (20) days of the expiration of the employee’s eligibility for salary continuation leave or Workers’ Compensation leave, unless the employee is also on FMLA leave.

Section 12-40 The ADA Interactive Process

12-41 Policy

A. It is the policy of the City to provide equal employment opportunity to qualified individuals with disabilities. This rule is intended to comply with and be interpreted consistently with the Americans with Disabilities Act of 1990 ("ADA"), as amended. In case of a conflict between this rule and the ADA (and its corresponding regulations), the ADA will control. Additional information about the ADA may be found on the Equal Employment Opportunity Commission’s website, www.eeoc.gov.

B. No appointing authority, official, supervisor or employee shall discriminate against a qualified individual on the basis of disability in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or any terms, conditions, or privileges of employment.

12-42 ADA Definitions

A. ADA Coordinator: Person or persons designated by the OHR Executive Director to act on behalf of the OHR in the Interactive Process (IAP).

B. Vacant position: An empty position that a department or agency is authorized to fill and intends to fill.
A department or agency shall provide a reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless it can be demonstrated that the accommodation would impose an undue hardship on the operation of the department or agency, or pose a direct threat to any person. These determinations with regard to employees shall be made through the IAP. The process for accommodating applicants can be found in Rule 3 RECRUITMENT.

A. The City shall initiate an IAP when:
   1. An employee provides notice that the employee needs a reasonable accommodation to perform the essential functions of the employee’s position; or
   2. The employee’s department or agency has actual or constructive notice that an employee may have a disability for which the employee needs reasonable accommodation.

B. The IAP shall be a flexible, informal process that involves the department or agency, the employee and the ADA Coordinator, and requires the good faith participation of all parties. The ADA Coordinator may terminate the IAP if the employee fails to cooperate in the process.

C. The purpose of the IAP shall be to determine if:
   1. The employee has a disability within the meaning of the ADA;
   2. If so, whether the employee needs a reasonable accommodation to perform the essential duties of his or her job, or another job; and
   3. If so, whether the employee can be reasonably accommodated.

D. In order to make this determination, the ADA Coordinator may request and review medical records and other documentation in the possession, custody, or control of the employee’s health care providers. The ADA Coordinator may also obtain an independent medical evaluation for the purpose of gathering information needed to make this determination. Such examinations and evaluations shall be reasonable and paid for by the department or agency where the employee is presently employed.

E. If the employee is determined to have a disability as defined in the ADA, the ADA Coordinator, department or agency, and the employee shall endeavor to identify any reasonable accommodations the employee may need to be able to perform the essential functions of his or her position. The preferred option always shall be a reasonable accommodation that allows the employee to remain in his or her existing job.
F. If the employee is determined not to have a disability as defined in the ADA, or it is determined that the employee cannot be reasonably accommodated, the ADA Coordinator will end the IAP and disqualification proceedings may be initiated by the employee’s department or agency if the employee remains unable to perform the essential functions of his or her position.

12-44 Re-assignment:

A. 1. If the ADA Coordinator determines that an employee with a disability cannot be reasonably accommodated in his or her current position; the employee expresses an interest in remaining employed with the City; and the employee’s restrictions allow the employee to be reasonably accommodated in other positions, the ADA Coordinator shall explore re-assignment to a vacant position as a possible reasonable accommodation.

2. This determination shall be communicated in writing to the employee as soon as possible after it has been made.

3. The ADA Coordinator shall look for positions that are vacant and become vacant during the three (3) months immediately following this written communication.

4. The ADA Coordinator shall terminate the IAP before the end of the three-month period if the employee withdraws his or her request for re-assignment, or if the employee accepts an IAP re-assignment.

B. Re-assignment is not available:

1. To a position that constitutes a promotion. If the employee originally took a demotion as an ADA re-assignment, the ADA Coordinator may consider positions above the employee’s current pay grade if the employee is eligible for re-promotion (as defined in Rule 5 APPPOINTMENTS AND STATUS) to that position and is able to perform the essential functions of that position with or without accommodations. This does not preclude an employee from applying for promotions within the Career Service;

2. To job applicants who are not currently City employees.
C. 1. The ADA Coordinator’s priority is to identify vacant positions that are equivalent to the employee’s current position in terms of pay and benefits, first in the employee’s department or agency, and then in other departments or agencies.

2. If no equivalent positions exist, the ADA Coordinator’s next priority is to identify vacant positions of lower pay and benefits, first in the employee’s department or agency, and then in other departments or agencies.

3. If no vacant positions become available during the three-month re-assignment period, the ADA Coordinator shall terminate the IAP and disqualification proceedings may be initiated by the employee’s department or agency.

D. 1. The ADA Coordinator shall analyze the employee’s specific experience, skills and background, and the specific job duties of the vacant position. The employee does not need to be the best-qualified individual for the position in order to be re-assigned to it.

2. The ADA Coordinator shall provide the employee with information about all vacancies for which the employee:

   a. Meets the minimum education, experience and licensing or certification requirements; and

   b. Is able to perform the essential functions with or without accommodations.

3. The employee may express his or her preference regarding the selection of a re-assignment position. However, the ADA Coordinator is free to choose the re-assignment position to be offered to the employee.

E. An employee with a disability may decline a re-assignment appointment that is a demotion and request that the ADA Coordinator continue looking for vacant positions within the three-month time period. However, if an employee declines an offer of a transfer to a comparable position in terms of salary and benefits, the ADA Coordinator shall terminate the IAP and disqualification proceedings may be initiated by the employee’s department or agency.

F. A department or agency to which an employee with a disability is being re-assigned is required to cooperate with the re-assignment process coordinated by the ADA Coordinator and accept the re-assignment of that employee through the IAP. However, the department or agency may file a request to the OHR Executive Director to review the re-assignment placement within five (5) calendar days of the re-assignment notice if the department or agency reasonably believes that the employee will not be able to perform the essential functions of the position with or without reasonable accommodation.
G. If an employee is re-assigned to either an equivalent or demotion position, the employee shall continue to receive the pay rate he or she earned in the former position unless this exceeds the range maximum of the pay range of the new classification, in which case the employee shall receive the range maximum of the pay range of the new classification.

H. 1. The department or agency shall take all necessary steps to train the re-assigned employee in the duties of the position re-assigned, as it would do with any new employee.

2. Re-assigned employees shall be provided any reasonable accommodation necessary for the employees to perform the essential functions of the new position.

I. 1. If an employee with a disability is re-assigned to a vacant position and the department or agency subsequently determines that the employee with a disability is unable to perform the essential functions of the position, with or without reasonable accommodation, the IAP will be resumed from the beginning.

2. The IAP need not be resumed if the employee has performance problems in the position that are unrelated to his or her disability, or if the employee is dismissed as a corrective measure for misconduct.

12-45 Re-assignment of Classified Service Employees

A. A Classified Service employee (police officer or fire fighter) with a disability is eligible to seek re-assignment to a vacant Career Service position as a form of reasonable accommodation if he or she cannot be reasonably accommodated in his or her Classified Service position. Should a Classified Service employee with a disability be re-assigned to a vacant Career Service position as a form of reasonable accommodation, the employee will no longer be a Classified Service employee, but instead will be a new Career Service employee.

B. Under this circumstance, the employee will be entitled to the pension given to Career Service employees after the appropriate number of years of service for vesting within the Career Service system. The employee is not entitled to retroactive vesting for this pension for his or her years of service as a Classified Service employee. This rule does not prohibit the employee from purchasing service credits subject to procedures established by the Denver Employees Retirement Plan.
C. The employee’s sick and vacation days that he or she accrued as a Classified Service employee will not be carried over to the new Career Service position; however, the employee will be given monetary payment for such leave upon separating from the Classified Service, in accordance with the Police or Fire Department’s rules and regulations and collective bargaining agreement then in effect. The employee shall accrue paid time off as a new Career Service employee.

12-46 ADA Leave

A. ADA leave shall be provided:

1. During the IAP if an employee is unable to perform the essential functions of his or her existing job;

2. During any period of leave that is provided to the employee as a reasonable accommodation as a result of the IAP.

B. ADA leave is unpaid leave, unless an employee elects to substitute available paid leave for unpaid ADA leave.

12-47 Retaliation and Coercion

A. It is a violation of this rule to discriminate against any individual because that individual has opposed any act or practice prohibited by this rule or because that individual filed a grievance or appeal, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing to enforce any provision contained in this rule.

B. It is a violation of this rule to coerce, intimidate, threaten, harass or interfere with any individual in the exercise or enjoyment of, or because that individual aided or encouraged any other individual in the exercise of, any right granted or protected by this rule (including, but not limited to, making a request for a reasonable accommodation).
12-48 Confidentiality and Record Keeping

Any medical information obtained about an employee during the IAP shall be collected and maintained on separate forms and in separate files and be treated as confidential, except that:

A. Supervisors, managers, human resources personnel and other City employees involved in the IAP may obtain access to such information on a need to know basis.

B. Supervisors, managers, human resources personnel and other appropriate City employees may be informed regarding necessary restrictions on the work or duties of an employee and necessary accommodations.

C. First-aid and safety personnel may be informed if the disability requires emergency treatment.

D. Information may be given to the state workers’ compensation offices, and state second injury funds, in accordance with the state workers’ compensation laws.
Purpose statement:

The purpose of this rule is to identify:

A. Types of appointments (the process of moving employees into vacant positions) and the process of making appointments;

B. Types of positions and employee status;

C. Medical groups and standards following a conditional offer of employment;

D. Dual incumbency and dual employment; and

E. Compliance with the Immigration Reform and Control Act of 1986; and

F. The Americans with Disability Act (ADA) interactive process.

Section 5-10 Appointments

A. The Career Service shall comprise all employees of the City and their positions, subject to the exceptions in the City Charter.

B. Appointing authorities, including the Office of Human Resources (“OHR”) Executive Director, may delegate any authority provided under this Rule 5 to a subordinate employee.

5-11 Appointments of Applicants Who Are Not in the Career Service

A. Employment appointment: An appointment made as a result of referral of an employment list in accordance with Rule 3 RECRUITMENT.

B. Re-instatement appointment: An appointment of a former employee who had been laid off or who resigned in lieu of a lay-off, which is made as a result of referral from a re-instatement list in accordance with Rule 3 RECRUITMENT.
C. **Re-employment appointment**: An appointment of a former employee to a position in the classification in which the employee was previously employed within the preceding five (5) years, or to a successor classification; or to any classification for which the employee is qualified, with the same or lower range minimum than the former classification, subject to the following conditions:

1. Former employees whose separation was the result of a dismissal are not eligible for re-employment;

2. An appointment that is a re-instatement is not a re-employment appointment;

3. In order to determine eligibility for re-employment into a successor classification, the OHR Executive Director may, on a case-by-case basis, review the duties previously performed as well as classification and pay; and

4. A former employee who is re-employed shall serve in an employment probationary status.

5-12 **Appointments of Employees Who Are in the Career Service**

A. **Promotional appointment**: An appointment of an employee to a position in a classification in which the range minimum of the pay range for the new classification is higher than the range minimum of the pay range for the employee’s previous classification.

B. **Promotional re-instatement appointment**: An appointment of an employee who has been demoted in lieu of lay-off which is made as a result of referral from a re-instatement list in accordance with Rule 3 **RECRUITMENT**.

C. **Re-promotional appointment**: A promotion of an employee to a position in a higher classification in which the employee was previously employed within the preceding five (5) years, or to a successor classification; or to any classification for which the employee is qualified, with the same or intervening range minimum as the previous classification subject to the following conditions:

1. Appointments that are promotional re-instations are not re-promotions; and

2. In order to determine eligibility for re-promotion into a successor classification, the OHR Executive Director may, on a case-by-case basis, review the duties previously performed as well as classification and pay.
D. **Transfer appointment**: An appointment of an employee from a position in one classification to a different position in the same classification or a classification with the same range minimum for which the employee meets the minimum qualifications.

1. An employee may be given a transfer appointment between departments or agencies provided that the employee and the receiving appointing authority consent.

2. Unless otherwise agreed upon, a transfer appointment between departments or agencies becomes effective thirty (30) calendar days after the releasing department or agency is notified that the employee and the receiving department or agency have both consented to the transfer. However, the time may be shortened if the effective date is set jointly by the releasing appointing authority and the receiving appointing authority.

E. **Demotion appointment**: An appointment of an employee to a position in a classification for which the employee meets the minimum qualifications and which the range minimum of the pay range of the new classification is lower than the range minimum of the pay range of the classification previously held.

1. **Reasons for demotion**: An appointing authority may give a demotion appointment in the following instances:

   a. **Voluntary**:

      i. When an employee requests the demotion, or accepts a voluntary demotion in lieu of lay-off as defined in Rule 14 SEPARATION OTHER THAN DISMISSAL; or

      ii. When an employee accepts the offer of a position with lower pay and benefits as a reasonable accommodation in the ADA Interactive Process.

   b. **In lieu of lay-off**: When a position is to be abolished, in accordance with Rule 14 SEPARATION OTHER THAN DISMISSAL.

   c. **Involuntary**:

2. **Notice to employee:** Before a demotion appointment is effective, the following documentation shall be provided to the employee and submitted to the OHR:

   a. Written consent of the employee to a voluntary demotion; or
   b. A written notice of demotion in lieu of lay-off as required by Rule 14 **SEPARATION OTHER THAN DISMISSAL**; or
   c. A written notice of disciplinary demotion as required by Rule 16 **DISCIPLINE AND DISMISSAL**; or
   d. A written notice of demotion in lieu of separation during employment probation, or during paid trainee or paid intern status.

### Section 5-20 Types of Positions

   1. The department or agency shall report to the OHR, in writing, at the conclusion of paid trainee or paid intern status, whether the trainee or intern has successfully completed the training or internship period by acquiring the competencies, knowledge, skills and abilities necessary to satisfactorily perform the duties of the position.
   2. An appointing authority may request, in writing to the OHR Executive Director, that the trainee or intern be deemed to have successfully completed the training or internship period prior to the employee's completion of the training or internship period.
   3. Upon a determination by the OHR that the trainee or intern has successfully completed the training or internship period, the department or agency may promote the trainee or intern into the position the trainee or intern was being trained to perform.

5-34 Employment Probationary Status

Every person when first appointed or re-employed to a full time or part time, limited or unlimited Career Service position, that is not a trainee or intern position, shall hold employment probationary status for the probationary period established by this Rule 5.

A. An employment probationary period shall be regarded as an integral part of the examination process. It shall be utilized for closely observing the employee's work, assisting the employee to adjust to the duties and responsibilities of the position, and to separate or demote an employee as provided in this rule.
B. **Duration of employment probation:**

Except as provided below, the minimum period of employment probation shall be six (6) months.

1. The minimum period of employment probation for employees in Deputy Sheriff classifications shall be twelve (12) months.

   a. The Performance Enhancement Program and Performance Enhancement Program Reports;

   b. Preventing harassment and workplace violence (for managers); and

   c. Employment laws, the Career Service Rules, and discipline.

Employees who are serving employment probation as a result of being appointed to a position with supervisory or managerial duties are required to complete the required supervisory training during their probationary period.
3. a. Employees who completed the required new hire training within the three years prior to the effective date of appointment are not required to take that training again.

b. Employees who have completed the required new manager training or who have held a position within the Career Service with supervisory or managerial duties within the three years prior to the effective date of appointment, promotion, or the submittal of a re-allocation request are not required to take that training again.

4. Departments or agencies may conduct training to fulfill the requirements established above, with the approval of the OHR Executive Director. Departments or agencies that conduct such training shall provide the OHR with documentation evidencing the completion of the required training. Such documentation shall include the course title, the names of employees who have completed the training, and the date of completion.

E. Extension of employment probation:

1. Appointing authorities may extend an employee’s employment probation for a period not to exceed an additional six (6) months after the original end of probation date. Notice of the extension shall be given to the employee and received by the OHR prior to the end of the employee’s end of probation date. Employment probation for employees in the Aviation Emergency Dispatcher, Emergency Communications Operator, Police Dispatcher, and Staff Probation Officer classifications may only be extended for a period not to exceed an additional three (3) months after the original end of probation date.

2. Employees serving employment probation who have not completed training programs required by this rule as a condition of passing probation will have their probationary periods automatically extended until the training programs have been completed. City departments and agencies are expected to make sure their employees meet the training requirements of this rule. This paragraph shall not affect a department or agency’s ability to end probation at any time.

F. End of employment probation notification:

1. Supervisors are encouraged to evaluate employee performance and discuss it with the employee during the employment probationary period so that employees are fully informed of their progress.

2. An employee’s successful completion of an employment probationary period shall be documented by the completion of a notification form prepared by the employing department or agency in a format authorized by the OHR.
3. a. If a department or agency is going to separate an employee during employment probation, a written notice of separation or dismissal shall substitute for the notification form.

b. Such notice shall be given to the employee on or before the employee’s last day of employment probation and last day as a City employee.

c. An employee who has completed the required employment probationary period and the training programs required by this rule shall attain career status unless a written notice of the extension of the employee’s employment probation, or of the employee’s separation or dismissal has been given to the employee and has been received at the OHR prior to the end of the employment probationary period.

G. An employee serving employment probation may be separated in accordance with Rule 16 DISCIPLINE AND DISMISSAL, or demoted to a position with less responsibility in accordance with this Rule 5. An employee who is appointed to another position during employment probation shall begin a new employment probationary period.

1. Successful completion of the employment probationary period, and the training programs required by this Rule 5; or

2. Re-instatement after lay-off.

B. An employee in career status:

1. May only be disciplined or dismissed for cause, in accordance with Rule 16 DISCIPLINE AND DISMISSAL;

2. Is entitled to lay-off protection specified in Rule 14 SEPARATION OTHER THAN DISMISSAL, except for employees in limited positions; and

5-36 Senior Command Staff Status

A. Every employee in a position in a classification in the Deputy Sheriff pay schedule who is appointed to a position in the Deputy Sheriff Major or Deputy Sheriff Division Chief classifications after May 31, 2014 shall hold Senior Command Staff status for the duration of the appointment and shall not serve a probationary period. However, such employee shall retain career status attained in his or her former classification and be entitled to return to a position in that classification when the employee’s Senior Command Staff status ends.

B. An employee in Senior Command Staff status retains the rights, privileges, and benefits the employee had by virtue of his or her status prior to the appointment, except that the employee:

1. May be returned to a position in his or her former classification at any time. Upon returning, the employee shall receive the same rate of pay he or she was receiving prior to his or her appointment to a position in the Deputy Sheriff Major or Deputy Sheriff Division Chief classifications (Senior Command Staff position), after taking into account the effect of any pay changes or classification changes to the employee’s former position and classification that occurred during the period between the appointment and the return; and

2. May not grieve or appeal his or her removal from a Senior Command Staff position.

Employees who were appointed to Senior Command Staff positions prior to June 1, 2014 shall retain career status attained in that position and shall not be considered to have Senior Command Staff status.

Section 5-40 Medical Examinations Following a Conditional Offer of Employment

5-41 Medical Groups

All classifications in the Career Service shall be allocated to a medical group by the OHR Executive Director. The medical groups are as follows:

A. Heavy (H): Positions which demand a very high degree of physical fitness.

B. Medium (M): Positions which demand considerable labor and exertion or in which safety considerations mandate a high degree of physical fitness.

C. Sedentary (S): Positions which require little physical labor or exertion.
5-42 Adoption of Medical Standards

Medical criteria for each medical group or for individual classifications within a medical group shall be proposed by the Center for Occupational Safety and Health at Denver Health or by another designated provider (as defined in Chapter 18, Article VII of the Denver Revised Municipal Code – Treatment of Occupational Injury or Disease), if selected by the appointing authority. Approval of the proposed medical criteria shall be the responsibility of the OHR Executive Director. Medical criteria must be job-related and consistent with business necessity. Medical criteria shall be used as a guide in determining an applicant’s ability to perform the essential physical functions of a position either with or without reasonable accommodations.

5-43 Medical Examinations

A. Applicants who are offered positions in a classification in group H or M are required to submit to a medical examination after receiving an offer of employment conditioned on the results of the medical examination. The examination shall be administered by one of the City’s designated providers (as defined in the previous subsection). The examination shall be completed after the conditional offer of employment has been given to the applicant and before the first day of work.

B. Applicants who are offered positions in a classification in group S are not required to submit to a post-employment offer medical examination unless the position has other assigned duties that demand a high degree of physical fitness (such as operating snow removal equipment). The determination of whether a conditional offer of employment and a post-employment offer medical examination is required and shall be based on the physical requirements of the position.

C. If it is determined that the applicant is unable to perform the essential functions of the position with or without reasonable accommodations, the offer of employment shall be rescinded.

Section 5-50 Dual Incumbency

Subject to approval by the Budget and Management Office, or its designee, an employee may be appointed to occupy a position currently occupied by another employee for a period not to exceed three (3) months. If it is desired to continue such an arrangement for more than three months, it shall be done by the creation of a limited position rather than dual incumbency in a single position.
Section 5-60 Dual Employment

The following rules shall apply as to dual employment in the Career Service:

A. Since a position is by definition an aggregate of duties to be performed by one (1) person, an employee may occupy only one (1) full-time position.

B. An employee may occupy more than one (1) part-time position, more than one (1) on-call position, or a combination of part-time and on-call positions provided that the total time worked does not exceed the equivalent of a full-time position.

Section 5-70 Compliance with the Immigration Reform and Control Act of 1986

5-71 Policy

The policy of the Board is to conform to the provisions of Federal and Colorado immigration law, including but not limited to the Immigration Reform and Control Act of 1986, the Immigration Act of 1990, the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, and regulations based upon these laws.

5-72 New Hires

No person hired on or after May 21, 1987 shall be employed for more than three (3) working days unless such employee has submitted to the OHR the documentary evidence of identity and authorization to work required by Federal immigration law.

5-73 Penalty

In accordance with the requirements of Federal immigration law, any employee failing to comply with this section of Rule 5 APPOINTMENTS AND STATUS shall be terminated immediately.

Section 5-80 The ADA Interactive Process

5-81 Policy

A. It is the policy of the City to provide equal employment opportunity to qualified individuals with disabilities. This rule is intended to comply with and be interpreted consistently with the Americans with Disabilities Act of 1990 (“ADA”), as amended. In case of a conflict between this rule and the ADA (and its corresponding regulations), the ADA will control. Additional information about the ADA may be found on the Equal Employment Opportunity Commission’s website, www.eeoc.gov.

B. No appointing authority, official, supervisor or employee shall discriminate against a qualified individual on the basis of disability in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or any terms, conditions, or privileges of employment.
5-82 ADA Definitions

A. ADA Coordinator: Person or persons designated by the OHR Executive Director to act on behalf of the OHR in the Interactive Process (IAP).

B. Vacant position: An empty position that a department or agency is authorized to fill and intends to fill.

5-83 Interactive Process (IAP)

A department or agency shall provide a reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless it can be demonstrated that the accommodation would impose an undue hardship on the operation of the department or agency, or pose a direct threat to any person. These determinations with regard to employees shall be made through the IAP. The process for accommodating applicants can be found in Rule 3 RECRUITMENT.

A. The City shall initiate an IAP when:

1. An employee provides notice that the employee needs a reasonable accommodation to perform the essential functions of the employee’s position; or

2. The employee’s department or agency has actual or constructive notice that an employee may have a disability for which the employee needs reasonable accommodation.

B. The IAP shall be a flexible, informal process that involves the department or agency, the employee and the ADA Coordinator, and requires the good faith participation of all parties. The ADA Coordinator may terminate the IAP if the employee fails to cooperate in the process.

C. The purpose of the IAP shall be to determine if:

1. The employee has a disability within the meaning of the ADA;

2. If so, whether the employee needs a reasonable accommodation to perform the essential duties of his or her job, or another job; and

3. If so, whether the employee can be reasonably accommodated.

D. In order to make this determination, the ADA Coordinator may request and review medical records and other documentation in the possession, custody, or control of the employee’s health care providers. The ADA Coordinator may also obtain an independent medical evaluation for the purpose of gathering information needed to make this determination. Such examinations and evaluations shall be reasonable and paid for by the department or agency where the employee is presently employed.
E. If the employee is determined to have a disability as defined in the ADA, the ADA Coordinator, department or agency, and the employee shall endeavor to identify any reasonable accommodations the employee may need to be able to perform the essential functions of his or her position. The preferred option always shall be a reasonable accommodation that allows the employee to remain in his or her existing job.

F. If the employee is determined not to have a disability as defined in the ADA, or it is determined that the employee cannot be reasonably accommodated, the ADA Coordinator will end the IAP and disqualification proceedings may be initiated by the employee’s department or agency if the employee remains unable to perform the essential functions of his or her position.

5-84 Re-assignment:

A. 1. If the ADA Coordinator determines that an employee with a disability cannot be reasonably accommodated in his or her current position; the employee expresses an interest in remaining employed with the City; and the employee’s restrictions allow the employee to be reasonably accommodated in other positions, the ADA Coordinator shall explore re-assignment to a vacant position as a possible reasonable accommodation.

2. This determination shall be communicated in writing to the employee as soon as possible after it has been made.

3. The ADA Coordinator shall look for positions that are vacant and become vacant during the three (3) months immediately following this written communication.

4. The ADA Coordinator shall terminate the IAP before the end of the three-month period if the employee withdraws his or her request for re-assignment, or if the employee accepts an IAP re-assignment.

B. Re-assignment is not available:

1. To a position that constitutes a promotion. If the employee originally took a demotion as an ADA re-assignment, the ADA Coordinator may consider positions above the employee’s current pay grade if the employee is eligible for re-promotion (as defined in this Rule 5) to that position and is able to perform the essential functions of that position with or without accommodations. This does not preclude an employee from applying for promotions within the Career Service;

2. To job applicants who are not currently City employees.
C. 1. The ADA Coordinator’s priority is to identify vacant positions that are equivalent to the employee’s current position in terms of pay and benefits, first in the employee’s department or agency, and then in other departments or agencies.

2. If no equivalent positions exist, the ADA Coordinator’s next priority is to identify vacant positions of lower pay and benefits, first in the employee’s department or agency, and then in other departments or agencies.

3. If no vacant positions become available during the three-month re-assignment period, the ADA Coordinator shall terminate the IAP and disqualification proceedings may be initiated by the employee’s department or agency.

D. 1. The ADA Coordinator shall analyze the employee’s specific experience, skills and background, and the specific job duties of the vacant position. The employee does not need to be the best-qualified individual for the position in order to be re-assigned to it.

2. The ADA Coordinator shall provide the employee with information about all vacancies for which the employee:

   a. Meets the minimum education, experience and licensing or certification requirements; and

   b. Is able to perform the essential functions with or without accommodations.

3. The employee may express his or her preference regarding the selection of a re-assignment position. However, the ADA Coordinator is free to choose the re-assignment position to be offered to the employee.

E. An employee with a disability may decline a re-assignment appointment that is a demotion and request that the ADA Coordinator continue looking for vacant positions within the three-month time period. However, if an employee declines an offer of a transfer to a comparable position in terms of salary and benefits, the ADA Coordinator shall terminate the IAP and disqualification proceedings may be initiated by the employee’s department or agency.

F. A department or agency to which an employee with a disability is being re-assigned is required to cooperate with the re-assignment process coordinated by the ADA Coordinator and accept the re-assignment of that employee through the IAP. However, the department or agency may file a request to the OHR Executive Director to review the re-assignment placement within five (5) calendar days of the re-assignment notice if the department or agency reasonably believes that the employee will not be able to perform the essential functions of the position with or without reasonable accommodation.
G. If an employee is re-assigned to either an equivalent or demotion position, the employee shall continue to receive the pay rate he or she earned in the former position unless this exceeds the range maximum of the pay range of the new classification, in which case the employee shall receive the range maximum of the pay range of the new classification.

H. 1. The department or agency shall take all necessary steps to train the re-assigned employee in the duties of the position re-assigned, as it would do with any new employee.

2. Re-assigned employees shall be provided any reasonable accommodation necessary for the employees to perform the essential functions of the new position.

I. 1. If an employee with a disability is re-assigned to a vacant position and the department or agency subsequently determines that the employee with a disability is unable to perform the essential functions of the position, with or without reasonable accommodation, the IAP will be resumed from the beginning.

2. The IAP need not be resumed if the employee has performance problems in the position that are unrelated to his or her disability, or if the employee is dismissed as a corrective measure for misconduct.

5-85 Re-assignment of Classified Service Employees

A. A Classified Service employee (police officer or fire fighter) with a disability is eligible to seek re-assignment to a vacant Career Service position as a form of reasonable accommodation if he or she cannot be reasonably accommodated in his or her Classified Service position. Should a Classified Service employee with a disability be re-assigned to a vacant Career Service position as a form of reasonable accommodation, the employee will no longer be a Classified Service employee, but instead will be a new Career Service employee.

B. Under this circumstance, the employee will be entitled to the pension given to Career Service employees after the appropriate number of years of service for vesting within the Career Service system. The employee is not entitled to retroactive vesting for this pension for his or her years of service as a Classified Service employee. This rule does not prohibit the employee from purchasing service credits subject to procedures established by the Denver Employees Retirement Plan.

C. The employee’s sick and vacation days that he or she accrued as a Classified Service employee will not be carried over to the new Career Service position; however, the employee will be given monetary payment for such leave upon separating from the Classified Service, in accordance with the Police or Fire Department’s rules and regulations and collective bargaining agreement then in effect. The employee shall accrue paid time off as a new Career Service employee.
5-86 ADA Leave

A. ADA leave shall be provided:
   1. During the IAP if an employee is unable to perform the essential functions of his or her existing job;
   2. During any period of leave that is provided to the employee as a reasonable accommodation as a result of the IAP.

B. ADA leave is unpaid leave, unless an employee elects to substitute available paid leave for unpaid ADA leave.

5-87 Retaliation and Coercion

A. It is a violation of this rule to discriminate against any individual because that individual has opposed any act or practice prohibited by this rule or because that individual filed a grievance or appeal, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing to enforce any provision contained in this rule.

B. It is a violation of this rule to coerce, intimidate, threaten, harass or interfere with any individual in the exercise or enjoyment of, or because that individual aided or encouraged any other individual in the exercise of, any right granted or protected by this rule (including, but not limited to, making a request for a reasonable accommodation).

5-88 Confidentiality and Record Keeping

Any medical information obtained about an employee during the IAP shall be collected and maintained on separate forms and in separate files and be treated as confidential, except that:

A. Supervisors, managers, human resources personnel and other City employees involved in the IAP may obtain access to such information on a need to know basis.

B. Supervisors, managers, human resources personnel and other appropriate City employees may be informed regarding necessary restrictions on the work or duties of an employee and necessary accommodations.

C. First-aid and safety personnel may be informed if the disability requires emergency treatment.

D. Information may be given to the state workers’ compensation offices, and state second injury funds, in accordance with the state workers’ compensation laws.

2. Conversion to PTO

A. Employees who were receiving paid sick and vacation leave on December 31, 2009 and who otherwise continue to remain eligible may elect to receive PTO benefits instead of paid sick and vacation leave. In order to receive PTO benefits, such employees must provide written notice of this election to the Department of Finance on or before February 1, 2010.

B. Employees who elect to participate in the PTO plan must convert their existing sick and vacation leave banks into a special leave bank. The employee shall convert one hundred (100) percent of his or her existing vacation leave plus a maximum of fifty (50) percent of his or her existing sick leave into PTO, which shall be deposited in a special leave bank. The amount of PTO in the special leave bank cannot exceed four hundred (400) hours. Any excess sick leave shall be forfeited. C. The PTO balance in an employee’s special leave bank shall not be replenished. PTO subsequently earned by an employee shall be deposited in his or her PTO bank. Situations Where Approval of PTO Use is not Required

A. An employee may use PTO without requesting the approval of the employee’s appointing authority when the employee is incapacitated by sickness or injury; for necessary care and attendance during sickness of a member of the employee's immediate family, and for qualifying conditions under the Family and Medical Leave Act ("FMLA"). Such use shall be subject to reporting and investigation requirements set forth in this Rule 10.

B. Absences from work because of authorized medical examinations or treatment related to an occupational injury or occupational disease arising out of and within the course and scope of employment with the City for which the City has admitted liability or has agreed to permit medical treatment while investigating the claim shall be treated as time worked. The employee shall make a reasonable effort to schedule the examination or treatment so as not to unduly disrupt the operations of the department or agency.

All Other PTO Uses

A. All other uses of PTO require the approval of the employee’s appointing authority.

B. Appointing authorities shall approve such requests to use PTO on the basis of the work requirements of the agency after conferring with employees and recognizing their wishes where possible. Preference in the scheduling of pre-approved PTO shall be given to employees in order of their total length of continuous employment in the Career Service; provided, however, that an employee who has been re-instated or re-employed following a lay-off shall be given credit for the period of continuous employment in the Career Service prior to the lay-off.

C. Exceeding the PTO Accumulation Limit:

An appointing authority may not defer an employee’s use of PTO to the extent that the employee will lose earned PTO. If the appointing authority is unable to allow an employee who has accumulated the maximum hours of PTO to use any of those hours because of workload, the appointing authority shall submit and the OHR Executive Director shall approve an emergency request to exceed the maximum amount. The employee must use the excess over four hundred (400) hours in the employee’s PTO bank within one year of the approval date.
10-26 Maximum Accumulation and Pay-out of PTO

A. PTO earned by an employee shall be deposited in his or her PTO bank. PTO may not be accumulated in the PTO bank in excess of four hundred (400) hours.

Source: D.R.M.C. §18-124 and 127(a)

B. Exceeding the PTO Accumulation Limit:

Ordinarily an employee at the PTO leave accumulation limit of four hundred (400) hours cannot accumulate any additional PTO. However, if the appointing authority is unable to allow an employee who has accumulated the maximum hours of PTO to use PTO because of workload, the appointing authority shall request that the OHR Executive Director allow the employee to exceed the maximum amount. The employee must use the excess over four hundred (400) hours in the employee’s PTO bank within one year of the approval date.

C. Employees who elected to voluntarily convert from sick and vacation leave to PTO leave on February 1, 2010 were required to convert their sick and vacation leave balances into a special leave bank. PTO used by an employee shall be debited from the employee’s PTO bank first unless it has been exhausted or if the employee requests that the special leave bank be used first. This special leave bank cannot:

1. Exceed 400 hours; or
2. Be replenished.

D. Upon separation, a PTO recipient shall be paid at his or her regular rate of pay for the unused portion of his or her accumulated PTO bank and special bank if applicable.

A.  **Sick leave:**

1. Sick leave may be used when an employee is incapacitated by sickness or injury; for medical examinations, or treatment; for necessary care and attendance during sickness, or for death, of a member of the employee's immediate family, for qualifying conditions under the FMLA and as otherwise provided in these rules.

2. Absences from work because of authorized medical examinations or treatment related to an occupational injury or occupational disease arising out of and within the course and scope of employment with the City for which the City has admitted liability or has agreed to permit medical treatment while investigating the claim shall be treated as time worked. The employee shall make a reasonable effort to schedule the examination or treatment so as not to unduly disrupt the operations of the department or agency.
B. 10-34 Granting Vacation leave:

*Vacation leave shall be taken at a time convenient to the department or agency. The department or agency will confer*

A. Appointing authorities shall grant leave on the basis of the work requirements of the agency after conferring with employees and recognizing their wishes where possible. Preference in the scheduling of vacation time shall be given to employees in order of their total length of continuous employment in the Career Service; provided, however, that an employee who has been re-instated or re-employed following a lay-off shall be given credit for the period of continuous employment in the Career Service prior to the lay-off.

11-157 Re-assignment

If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on the planned medical treatment for the employee or an immediate family member, or if the appointing authority agrees to permit intermittent or reduced schedule leave for the birth of a child or for placement of a child for adoption, foster care or legal guardianship, the appointing authority may require the employee to transfer temporarily, during the period the intermittent or reduced leave schedule is required, to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee’s regular position.

11-158 Maintenance of Benefits

A. It shall be the responsibility of an employee on unpaid FMLA leave to provide that share of payment(s) necessary to maintain health insurance coverage as directed by the appointing authority.

B. During any FMLA leave, the City must maintain the employee’s coverage under any group health plan on the same conditions as coverage would have been provided if the employee had been continuously employed during the entire leave period.

An employee returning from FMLA leave shall be returned to the same position the employee held when leave began or to an equivalent position which is defined by the FMLA regulations as a position that is virtually identical to the employee’s former position in terms of pay, benefits and working conditions.

C. An employee need not be re-instated if the employee would not otherwise have been employed at the time re-instatement is requested.

D. When an employee returning from FMLA leave is not qualified or able to perform the essential functions of the position to which the employee was returned, the employee shall be given a reasonable opportunity in which to become qualified or seek accommodation so long as such accommodation is required by and consistent with the Americans with Disabilities Act (“ADA”).

E. If the employee is unable to return to work at the conclusion of FMLA leave, the appointing authority shall initiate the interactive process as provided in Rule 5 APPOINTMENTS AND STATUS, within twenty (20) days of the expiration of the employee’s FMLA leave, unless the employee is also on disability leave or Workers’ Compensation leave (Revised June 11, 2012; Rule Revision Memo 63C).

The purpose of FMLA leave is to provide up to twelve weeks of job-protected leave in a twelve-month period to eligible employees for specified immediate family and medical reasons. This rule is intended to comply with and be interpreted consistent with the FMLA and its corresponding regulations. D. To take leave when the employee is unable to perform the functions of the employee’s job because of a “serious health condition” as defined in the FMLA and its corresponding regulations; or

E. For any other reason authorized by the FMLA.

12-22 11-152 Eligibility for FMLA leave

Any employee may be eligible for FMLA leave if the employee who has:

A. Been employed by the City for at least twelve (12) months in the last seven (7) years; and

B. who has Worked at least twelve hundred and fifty (1,250) hours in the twelve (12) months immediately preceding the beginning of the leave shall be eligible for FMLA leave.

12-23 11-153 Requesting FMLA leave

A. An employee may expressly request FMLA leave, or may merely state that he or she needs leave for a reason which the appointing authority knows is a qualifying reason for FMLA leave. In either instance, the appointing authority shall notify the employee that the leave may qualify as FMLA leave and request and provide information in accordance with this rule.

B. In any situation where the need for FMLA leave is foreseeable, an employee shall provide thirty (30) days notice or such notice as is practicable.

C. In any situation where the need for FMLA leave is not foreseeable, the employee shall provide such notice as is practicable. Such notice may be provided by the employee or the employee’s spokesperson if the employee is unable to do so personally. The employee or the employee’s spokesperson will provide more information as required by the appointing authority when it can be readily accomplished as a practical matter.

D. An employee requesting FMLA leave must provide to the appointing authority all information necessary to determine if such leave is appropriate, including:

1. The reasons for the leave so as to allow the appointing authority to determine if the conditions identified in subsection 12-21 of this Rule have been met.

2. The anticipated start of the leave.

3. The anticipated duration of the leave.

4. Whether or not the employee has a spouse or domestic partner who is also an employee of the City and County of Denver.

F. A denial of a request for FMLA leave shall not preclude granting PTO or sick leave if the conditions identified in these rules are met.

12-24 Use of FMLA leave

A. No more than twelve (12) workweeks of FMLA leave may be used in any twelve (12) month period. The twelve (12) month period shall begin when FMLA leave was first used by an employee.

B. FMLA leave shall be granted consecutively, intermittently or on a reduced leave schedule, as provided for under the FMLA. Provided, however, if an employee requests FMLA leave intermittently or on a reduced leave schedule after the birth or placement of a child for adoption, foster care or legal guardianship, such leave shall be granted only if it is consistent with the reasonable operational necessity of the agency, as determined by the appointing authority.

C. It is the appointing authority’s responsibility to designate qualifying leave as FMLA leave and the appointing authority shall notify the employee of such designation and provide other required information about FMLA leave. An employee may not refuse to allow the appointing authority to designate qualifying leave as FMLA leave.

D. FMLA leave is unpaid leave, unless an employee elects to substitute available paid leave for unpaid FMLA leave, subject to the limitations in this Rule on the use of paid leave while on disability leave or Workers’ Compensation leave.
E. In the case where both spouses or domestic partners are employees, the amount of FMLA leave available shall be determined as follows:

1. When the leave is because of birth, adoption, foster care or legal guardianship of a child, or serious health condition of a member of either employee’s immediate family (other than a child, spouse or domestic partner), the FMLA leave available for bonding shall be the combined total of twelve (12) weeks of FMLA leave during any twelve (12) month period as defined in the FMLA and its corresponding regulations.

2. When the leave is because of the “serious health condition” of a parent, the FMLA leave available shall be the combined total of twelve (12) weeks during any twelve (12) month period as defined in the FMLA and its corresponding regulations.

3. When the leave is because of a serious health condition of either or both employees or a child, twelve (12) weeks of FMLA leave may be used by each employee in any twelve (12) month period.

12-25 11-155 Secondary employment during FMLA leave

Appointing authorities may deny secondary employment during FMLA leave.

12-26 11-156 Investigation of Use of FMLA leave

Appointing authorities may investigate the use of FMLA leave consistent with the FMLA and its corresponding regulations, including by requiring a second opinion and third opinion, if appropriate, and by considering information that is inconsistent with an employee’s FMLA request. Misuse of FMLA leave may be cause for disciplinary action up to and including dismissal. An appointing authority may not discipline an employee for appropriate use of FMLA leave.

12-27 11-157 Re-assignment

If an employee needs intermittent leave or leave on an established reduced leave schedule that is foreseeable based on the planned medical treatment for the employee or the employee’s parent, spouse, domestic partner, or child an immediate family member, or if the appointing authority agrees to permit intermittent or reduced schedule leave for the birth of a child or for placement of a child for adoption, foster care or legal guardianship, the appointing authority may require the employee to transfer temporarily, during the period the intermittent or reduced schedule is required, to an available alternative position for which the employee is qualified and for which the modified schedule is less disruptive to the business and/or operational needs of the department or agency, better accommodates recurring periods of leave than does the employee’s regular schedule position.
12-28 11-158 Maintenance of Benefits

A. During any FMLA leave, the City must maintain the employee’s health insurance coverage under any group health plan on the same conditions as coverage would have been provided if the employee had been continuously working employed during the entire leave period.

B. It shall be the responsibility of an employee on unpaid FMLA leave to provide that share of payment(s) necessary to maintain health insurance coverage as directed by the appointing authority.

12-29 11-159 Return from FMLA Leave

A. An employee returning from FMLA leave due to his or her own serious health condition shall provide a certification from the employee’s health care provider that the employee is able to resume work. An employee further may be required to report periodically on the employee’s status and intent to return to work.

B. An employee returning from FMLA leave shall be returned to the same position the employee held when leave began or to an equivalent position which is defined by the FMLA regulations as a position that is virtually identical to the employee’s former position in terms of pay, benefits and working conditions.

C. An employee need not be re-instated if the employee would not otherwise have been employed at the time re-instatement is requested.

D. When an employee returning from FMLA leave is not qualified or able to perform the essential functions of the position to which the employee was returned, the employee shall be given a reasonable opportunity in which to become qualified or seek accommodation so long as such accommodation is required by and consistent with the Americans with Disabilities Act ("ADA").

E. If the employee is unable to return to work at the conclusion of FMLA leave, the appointing authority shall initiate the interactive process as provided in this Rule 12 5 APPOINTMENTS AND STATUS, within twenty (20) days of the expiration of the employee’s FMLA leave, unless the employee is also on disability salary continuation leave or Workers’ Compensation leave (Revised June 11, 2012; Rule Revision Memo 63C).

11-160 Additional information regarding the FMLA

Appointing authorities shall post information and otherwise provide information regarding the FMLA as required by the FMLA. In addition, information may be found on the United States Department of Labor’s website, www.dol.gov.
Section 12-30 Disability Salary Continuation Leave and Workers’ Compensation Leave (Revised June 11, 2012; Rule Revision Memo 63C)

12-31 Definitions (for the purposes of this Section 12-30)

A. Disability: The physical inability of an eligible employee to perform the duties of his or her position, or any other position with the City.

B. Eligible employee: Any Career Service employee except:

1. Employees occupying on-call positions; and

2. Employees who hold positions in classifications in the Sheriff pay schedules (Deputy Sheriff, Deputy Sheriff Sergeant, Deputy Sheriff Captain, Deputy Sheriff Major, and Deputy Sheriff Division Chief).

12-32 Disability Salary Continuation Leave

A. 1. The City provides paid disability leave (hereinafter “salary continuation leave”) at the rate of amounting to eighty percent (80%) of an employee’s gross salary for up to ninety (90) consecutive calendar days from the date of injury.

2. An eligible employee is entitled to salary continuation leave if the employee has a disability as a result of an occupational injury or occupational disease arising out of and within the course and scope of employment with the City (see Disability Leave Ordinance, attached as Appendix A).

B. An employee on disability leave receiving salary continuation leave shall not be permitted to use other available paid leave concurrently with the disability leave.

C. Salary continuation leave will end on the employee’s last day as a City employee or if the employee is no longer eligible for temporary benefits under the Workers’ Compensation Act of Colorado, as amended, Title 8, Articles 40-47, C.R.S. (“the Act”).
12-33 11-42 Workers’ Compensation Leave

A. An employee who remains unable to return to work *in his or her job without accommodation, or to modified duty* after *salary continuation leave has been exhausted* the disability leave allowed by the Denver Revised Municipal Code expires, and is receiving temporary disability benefits under the provisions of the Workers’ Compensation Act of Colorado, as amended, Title 8, Articles 40-47, C.R.S. (“the Act”), will be permitted to use Workers’ Compensation leave for absences from work resulting from the employee’s occupational injury or occupational disease arising out of and within the course and scope of employment with the City, until it is determined that the employee is no longer eligible to receive temporary disability benefits pursuant to the Act.

B. Workers’ Compensation leave is unpaid leave, except to the extent an employee elects to use available paid leave. *An employee may use any available paid leave* to make up the difference between eighty percent (80%) of the employee’s gross salary and the temporary disability benefits *paid* the employee receives under the provisions of the Act.

12-34 11-43 Applicability of Family Medical Leave Act *the FMLA*

A. The department or agency shall designate an employee’s disability *salary continuation leave and/or Workers’ Compensation leave* as FMLA leave if the requirements of the applicable Career Service and Federal statutes and regulations are met.

B. If an employee’s disability *salary continuation leave and/or Workers’ Compensation leave* is also designated as FMLA leave, the disability *salary continuation leave and/or Workers’ Compensation leave* shall run concurrently with the FMLA leave.

12-35 11-44 Maintenance of Benefits

An employee who is absent from work on disability *salary continuation leave or Workers’ Compensation leave* is:

A. Eligible to have the City continue paying its share of the employee’s *health, medical, dental, and life insurance premiums* during the period of disability *salary continuation* and/or Workers’ Compensation leave, so long as the employee continues to pay his or her share of the insurance premiums.

B. Eligible to earn PTO, or sick and vacation *paid leave* as provided in *these rules* section 11-80 of this Rule 11;

B. Eligible to receive paid holiday leave for holidays observed during the period of disability and/or Workers’ Compensation leave as provided in Rule 10 *PAID LEAVE*.
12-36 11-45 Termination of Disability Leave or Workers’ Compensation Leave Eligibility

A. Employees who are no longer eligible for temporary benefits under the Act are not eligible to continue receiving disability leave or Workers’ Compensation leave.

B. If the employee’s permanent restrictions prohibit the employee from returning to work full-time and/or full-duty after having reached Maximum Medical Improvement (“MMI”), the City appointing authority shall initiate the interactive process as provided in this Rule within twenty (20) days of the expiration of the employee’s eligibility for disability salary continuation leave or Workers’ Compensation leave, unless the employee is also on FMLA leave.

C. Employees who are still receiving temporary benefits under the Act may lose their eligibility for Workers’ Compensation leave before reaching MMI if it is determined that they will be unable to return to work in any capacity. Such determination shall be made by the ADA Coordinator, after consulting with representatives from the City Attorney’s Office and the City’s Workers’ Compensation Unit. Once this determination is made, the City shall initiate the interactive process as provided in this Rule 12, within twenty (20) days of the expiration of the employee’s eligibility for salary continuation leave or Workers’ Compensation leave, unless the employee is also on FMLA leave.

Section 12-40 5-80 The ADA Interactive Process

12-41 5-81 Policy

A. It is the policy of the City to provide equal employment opportunity to qualified individuals with disabilities. This rule is intended to comply with and be interpreted consistently with the Americans with Disabilities Act of 1990 ("ADA"), as amended. In case of a conflict between this rule and the ADA (and its corresponding regulations), the ADA will control. Additional information about the ADA may be found on the Equal Employment Opportunity Commission’s website, www.eeoc.gov.

B. No appointing authority, official, supervisor or employee shall discriminate against a qualified individual on the basis of disability in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or any terms, conditions, or privileges of employment.
**ADA Definitions**

A. **ADA Coordinator**: Person or persons designated by the OHR Executive Director to act on behalf of the OHR in the Interactive Process (IAP).

B. **Vacant position**: An empty position that a department or agency is authorized to fill and intends to fill.

**Interactive Process (IAP)**

A department or agency shall provide a reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless it can be demonstrated that the accommodation would impose an undue hardship on the operation of the department or agency, or pose a direct threat to any person. These determinations with regard to employees shall be made through the IAP. The process for accommodating applicants can be found in Rule 3 RECRUITMENT.

A. The City shall initiate an IAP when:

1. An employee provides notice that the employee needs a reasonable accommodation to perform the essential functions of the employee’s position; or

2. The employee’s department or agency has actual or constructive notice that an employee may have a disability for which the employee needs reasonable accommodation.

B. The IAP shall be a flexible, informal process that involves the department or agency, the employee and the ADA Coordinator, and requires the good faith participation of all parties. The ADA Coordinator may terminate the IAP if the employee fails to cooperate in the process.

C. The purpose of the IAP shall be to determine if:

1. The employee has a disability within the meaning of the ADA;

2. If so, whether the employee needs a reasonable accommodation to perform the essential duties of his or her job, or another job; and

3. If so, whether the employee can be reasonably accommodated.

D. In order to make this determination, the ADA Coordinator may request and review medical records and other documentation in the possession, custody, or control of the employee’s health care providers. The ADA Coordinator may also obtain an independent medical evaluation for the purpose of gathering information needed to make this determination. Such examinations and evaluations shall be reasonable and paid for by the department or agency where the employee is presently employed.
E. If the employee is determined to have a disability as defined in the ADA, the ADA Coordinator, department or agency, and the employee shall endeavor to identify any reasonable accommodations the employee may need to be able to perform the essential functions of his or her position. The preferred option always shall be a reasonable accommodation that allows the employee to remain in his or her existing job.

F. If the employee is determined not to have a disability as defined in the ADA, or it is determined that the employee cannot be reasonably accommodated, the ADA Coordinator will end the IAP and disqualification proceedings may be initiated by the employee’s department or agency if the employee remains unable to perform the essential functions of his or her position.

12-44 5-84 Re-assignment:

A. 1. If the ADA Coordinator determines that an employee with a disability cannot be reasonably accommodated in his or her current position; the employee expresses an interest in remaining employed with the City; and the employee’s restrictions allow the employee to be reasonably accommodated in other positions, the ADA Coordinator shall explore re-assignment to a vacant position as a possible reasonable accommodation.

2. This determination shall be communicated in writing to the employee as soon as possible after it has been made.

3. The ADA Coordinator shall look for positions that are vacant and become vacant during the three (3) months immediately following this written communication.

4. The ADA Coordinator shall terminate the IAP before the end of the three-month period if the employee withdraws his or her request for re-assignment, or if the employee accepts an IAP re-assignment.

B. Re-assignment is not available:

1. To a position that constitutes a promotion. If the employee originally took a demotion as an ADA re-assignment, the ADA Coordinator may consider positions above the employee’s current pay grade if the employee is eligible for re-promotion (as defined in this Rule 5 APPOINTMENTS AND STATUS) to that position and is able to perform the essential functions of that position with or without accommodations. This does not preclude an employee from applying for promotions within the Career Service;

2. To job applicants who are not currently City employees.
C. 1. The ADA Coordinator’s priority is to identify vacant positions that are equivalent to the employee’s current position in terms of pay and benefits, first in the employee’s department or agency, and then in other departments or agencies.

2. If no equivalent positions exist, the ADA Coordinator’s next priority is to identify vacant positions of lower pay and benefits, first in the employee’s department or agency, and then in other departments or agencies.

3. If no vacant positions become available during the three-month re-assignment period, the ADA Coordinator shall terminate the IAP and disqualification proceedings may be initiated by the employee’s department or agency.

D. 1. The ADA Coordinator shall analyze the employee’s specific experience, skills and background, and the specific job duties of the vacant position. The employee does not need to be the best-qualified individual for the position in order to be re-assigned to it.

2. The ADA Coordinator shall provide the employee with information about all vacancies for which the employee:

   a. Meets the minimum education, experience and licensing or certification requirements; and

   b. Is able to perform the essential functions with or without accommodations.

3. The employee may express his or her preference regarding the selection of a re-assignment position. However, the ADA Coordinator is free to choose the re-assignment position to be offered to the employee.

E. An employee with a disability may decline a re-assignment appointment that is a demotion and request that the ADA Coordinator continue looking for vacant positions within the three-month time period. However, if an employee declines an offer of a transfer to a comparable position in terms of salary and benefits, the ADA Coordinator shall terminate the IAP and disqualification proceedings may be initiated by the employee’s department or agency.

F. A department or agency to which an employee with a disability is being re-assigned is required to cooperate with the re-assignment process coordinated by the ADA Coordinator and accept the re-assignment of that employee through the IAP. However, the department or agency may file a request to the OHR Executive Director to review the re-assignment placement within five (5) calendar days of the re-assignment notice if the department or agency reasonably believes that the employee will not be able to perform the essential functions of the position with or without reasonable accommodation.
G. If an employee is re-assigned to either an equivalent or demotion position, the employee shall continue to receive the pay rate he or she earned in the former position unless this exceeds the range maximum of the pay range of the new classification, in which case the employee shall receive the range maximum of the pay range of the new classification.

H. 1. The department or agency shall take all necessary steps to train the re-assigned employee in the duties of the position re-assigned, as it would do with any new employee.

2. Re-assigned employees shall be provided any reasonable accommodation necessary for the employees to perform the essential functions of the new position.

I. 1. If an employee with a disability is re-assigned to a vacant position and the department or agency subsequently determines that the employee with a disability is unable to perform the essential functions of the position, with or without reasonable accommodation, the IAP will be resumed from the beginning.

2. The IAP need not be resumed if the employee has performance problems in the position that are unrelated to his or her disability, or if the employee is dismissed as a corrective measure for misconduct.

12-45 5-185 Re-assignment of Classified Service Employees

A. A Classified Service employee (police officer or fire fighter) with a disability is eligible to seek re-assignment to a vacant Career Service position as a form of reasonable accommodation if he or she cannot be reasonably accommodated in his or her Classified Service position. Should a Classified Service employee with a disability be re-assigned to a vacant Career Service position as a form of reasonable accommodation, the employee will no longer be a Classified Service employee, but instead will be a new Career Service employee.

B. Under this circumstance, the employee will be entitled to the pension given to Career Service employees after the appropriate number of years of service for vesting within the Career Service system. The employee is not entitled to retroactive vesting for this pension for his or her years of service as a Classified Service employee. This rule does not prohibit the employee from purchasing service credits subject to procedures established by the Denver Employees Retirement Plan.
C. The employee’s sick and vacation days that he or she accrued as a Classified Service employee will not be carried over to the new Career Service position; however, the employee will be given monetary payment for such leave upon separating from the Classified Service, in accordance with the Police or Fire Department’s rules and regulations and collective bargaining agreement then in effect. The employee shall accrue paid time off as a new Career Service employee.

**12-46 5-86 ADA Leave**

A. ADA leave shall be provided:

1. During the IAP if an employee is unable to perform the essential functions of his or her existing job;

2. During any period of leave that is provided to the employee as a reasonable accommodation as a result of the IAP.

B. ADA leave is unpaid leave, unless an employee elects to substitute available paid leave for unpaid ADA leave.

**12-47 5-87 Retaliation and Coercion**

A. It is a violation of this rule to discriminate against any individual because that individual has opposed any act or practice prohibited by this rule or because that individual filed a grievance or appeal, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing to enforce any provision contained in this rule.

B. It is a violation of this rule to coerce, intimidate, threaten, harass or interfere with any individual in the exercise or enjoyment of, or because that individual aided or encouraged any other individual in the exercise of, any right granted or protected by this rule (including, but not limited to, making a request for a reasonable accommodation).
Any medical information obtained about an employee during the IAP shall be collected and maintained on separate forms and in separate files and be treated as confidential, except that:

A. Supervisors, managers, human resources personnel and other City employees involved in the IAP may obtain access to such information on a need to know basis.

B. Supervisors, managers, human resources personnel and other appropriate City employees may be informed regarding necessary restrictions on the work or duties of an employee and necessary accommodations.

C. First-aid and safety personnel may be informed if the disability requires emergency treatment.

D. Information may be given to the state workers’ compensation offices, and state second injury funds, in accordance with the state workers’ compensation laws.
