Section 13-20 Goal Setting and Performance Reviews

13-21 **Purpose**

The purposes of goal setting and performance reviews are to outline job expectations, establish performance outcomes and measures, encourage and support professional development, provide ongoing performance feedback, and evaluate performance in a timely manner.

13-22 **Written Goal Setting**

An eligible employee’s supervisor shall work with the employee to identify the goals for the performance outcomes and measures against which the employee’s performance is evaluated every year. This shall be done annually for current employees, as well as upon appointment to a new position, or the assignment of substantially different duties to an employee. These goals shall be provided to the employee in writing.

13-23 **Performance Reviews**

A. All eligible employees shall have their performance for the previous calendar year formally evaluated and rated in a written performance review. This evaluation shall occur once every year according to the schedule attached as Appendix A.

1. Eligible employees who have been absent from their position for less than a calendar year shall have their performance evaluated based on the time they were present at work.

2. Eligible employees who have been on a leave of absence from their position for all of the preceding calendar year shall **not receive a performance evaluation. These employees shall** have their pay adjusted to reflect what the **merit increase** they would have received with a “Successful” **performance rating**, merit increase **based upon the approved merit increase percentage pool for the applicable merit cycle**, set at the mid-point of the applicable range for the quartile containing the employee’s pay rate.

B. Whenever an eligible employee changes supervisors, the employee’s former supervisor should evaluate the employee’s performance in relation to the employee’s goals. Each goal should be rated individually, and no overall rating is required. If the change in supervisors is the result of the employee’s former supervisor terminating employment with the City, the next level manager is responsible for evaluating the employee’s performance. These ratings shall cover the period from the beginning of the year until the effective date of the change in supervisors.

Notice of Public Hearing scheduled for May 17, 2018
1. The employee’s current supervisor, as well as the employee, will receive the interim evaluation electronically.

2. At the end of the evaluation year, the employee’s current supervisor shall prepare a performance review for the entire calendar year. This performance rating should take into account the information provided by the previous supervisor, and the employee’s current performance in proportion to the time spent in each assignment.
