RULE PROPOSAL 477B

TO: Appointing Authorities, Managers, and Employees  
FROM: Karen Niparko, OHR Executive Director  
DATE: October 4, 2018  
SUBJECT: Proposed revisions of Career Service Rule 13 PAY FOR PERFORMANCE

THIS PROPOSED PROVISIONAL REVISION TO THE CAREER SERVICE RULES IS BEING POSTED FOR PUBLIC COMMENT AND HEARING TO BE HELD ON

THURSDAY, October 18, 2018, at 9:00 A.M.  
Webb Municipal Building Room 4.G.2

Every year the Office of Human Resources (“OHR”) revises the merit table and performance review schedule in Career Service Rule 13 PAY FOR PERFORMANCE to reflect the amount allocated by the City Council for merit increases and to adjust performance review deadlines. OHR is seeking provisional approval of Rule 13, to be confirmed upon final approval by the City Council of the merit increase allocation. Here is a summary of the proposed rule change:

<td><strong>CURRENT RULE</strong></td>

<tr>
<td>Departments and agencies are responsible for determining the percentage increase associated with each employee rating based on an open merit table. The proposed percent increase for all eligible employees shall average 3.27% for merit increases and merit payments delivered in 2018.</td>

A. The funding for merit increases and merit payments is provided in the annual appropriation ordinance. The pay increase associated with a particular performance rating shall be reviewed annually and adjusted as necessary to reflect prevailing practices in the community. The award of merit increases and merit payments is contingent upon this annual appropriation being approved by City Council and the Mayor. In case of a conflict between ordinance and these rules, the ordinance will prevail.

B. 1. Departments and agencies are responsible for determining the percentage increase associated with each employee rating. The percent increase for all eligible employees shall average 3.327% for merit increases and merit payments delivered in 2018. (Revised October 20, 2017; Rule Revision Memo 31D)

2. When there is a change to an employee’s pay rate on the same effective date as the merit increase, the merit increase will be applied before any other pay rate change(s).

C. Merit Table:

1. Eligibility for merit increases and merit payments is based on an eligible employee’s overall annual performance rating as measured by a performance review.

2. An eligible employee whose current pay rate is within the pay range of the pay grade assigned to the employee’s job classification shall receive a merit increase in accordance with the above table.
3. An eligible employee whose current pay rate is at or above the pay range maximum of the pay grade assigned to the employee’s job classification shall receive a lump sum merit payment in accordance with the above table.

4. No eligible employee shall receive a merit increase that exceeds the range maximum of the pay grade assigned to the employee’s job classification. If the application of this sub-paragraph results in an employee receiving a merit increase that is less than the percentage increase awarded to the employee, the employee shall receive the difference between the merit increase awarded and the merit increase received in the form of an additional merit payment.

D. In the case of a declared fiscal emergency by the Mayor, and upon the request of the Mayor, there will be no merit increases or merit payments awarded for increments of at least one year. During the declared fiscal emergency appointing authorities, managers and supervisors shall complete performance reviews for eligible employees, but no merit increases or merit payments will be awarded during this time.

13-33 Pro-ration for New Hires

Employees hired after January 1st and on or before September 30th will have their merit increase pro-rated to the employee’s start date.

13-34 Effective Date of Merit Increase

A. Merit increases and merit payments will be calculated from an employee’s annual base salary as of the Saturday before the first Sunday of the calendar year and be effective on the first Sunday of the calendar year for eligible employees who were employed in the Career Service on December 31st of the previous year.

B. An employee’s merit increase shall not be included as part of another pay change (such as a promotional increase), and must be applied as a separate merit increase.

13-35 Performance Review Schedule

Departments and agencies shall submit proposed merit increases and merit payments to the Office of Human Resources (“OHR”) as provided in the schedule attached as Appendix A.

13-36 Review of Performance with Employee

13-37 Official Records

13-38 Discipline

The written performance review and/or PIP(s) may be used as a basis for disciplinary action under Rule 16 CODE OF CONDUCT AND DISCIPLINE, up to and including dismissal, if an employee’s performance fails to comport with the standards set forth in any of these documents.

13-39 Grievances and Appeals Relating to Performance Reviews

A. An eligible employee may grieve any performance rating pursuant to Rule 18 DISPUTE RESOLUTION.

B. An eligible employee may appeal a grievance of an “Unacceptable” rating in accordance with Rule 19 APPEALS. Appeals of grievances of other ratings are not permitted.
