THE DENVER FIRE DEPARTMENT and FIT FOR FIRE
 PRESENTS

Candidate Physical Ability Test

This will be an 8 week course. The course includes: two recommended orientation sessions with CPAT mentors, two recommended practice session, and the final test. Once the test has been successfully completed the individual will receive a CPAT card valid at any department using the CPAT as an introductory physical test. Members will be allowed to use a practice test with a passing time to receive their CPAT card. We will provide advised workouts/exercise routines and nutrition advice/plans to candidates at the orientation sessions if requested.
