What documents do I need to provide?

No documents required - the registration is very easy! Just confirm that you have fewer than 25 employees, and that you have been operating prior to March 1, 2020. Then provide your Denver mailing address.

How will I receive the PPE kit?

The PPE kit will be mailed to the address you provide in your registration. In-person pick-up will not be available.

When will I receive the PPE kit?

PPE kits are expected to be delivered within 2-3 weeks after the registration form is completed and reviewed for eligibility. We will email you a confirmation.

Can I get more PPE when I ran out?

Initially, this program will be one kit per businesses. You can purchase additional supplies through the Energize Colorado PPE website: <https://energizecolorado.com/get-ppe-and-supplies>
