# Denver's Road Home Givers Summit 2019

### Denver's Road Home invites you to participate in our Givers Summit.

Community connections are vital to creating a better future for every Denver resident. *Be a giver* by investing in a supported and connected future for every person in need. We want your stories, experiences, challenges and passion for in-kind giving in Denver.

On Tuesday, February 5, 2019, from 9 a.m. to 3:30 p.m., Denver's Road Home will host a summit for community-based organizations, individuals, neighborhoods, city agencies and other stakeholders to improve coordination and collaboration to better serve our community.

We want to hear from you! What has been successful and fulfilling? What has been complicated or frustrating? How does giving affect your organization, your neighborhood, your business and—not least—your life? As a giver, what motivates you and what makes you feel you're making a difference? As someone who has benefited from others' generosity, what do you wish those giving knew? How can we meet all our neighbors' needs better with more health and dignity? We're organizing a limited number of hourlong sessions allowing stakeholders to engage with communities around the issue of giving in Denver. Our goal is discussion of a variety of topics, including how and where giving takes place, with focuses on community collaboration and basic needs charity in public spaces. Denver has a well-cultivated spirit of generosity, full of stakeholders who care about people! We want to hear your stories of generosity and learn how, as a community, we can best serve the most vulnerable among us with in-kind donations.
