DENVER
HUMAN SERVICES

#BeHuman

Let's start where you are.

Use this quick guide to help you decide which organizations best meet your giving preferences.

Give Time

Many agencies depend on volunteers to carry out the important work they are doing in the community to help change lives and end homelessness.

Give Goods

Our guests need and appreciate a variety of goods used on a daily basis. These can include clean and undamaged clothing, new underwear and socks, baby items, personal hygiene products, furniture, and food of all kinds.

Give Money

Give at designated parking meters throughout the city to prevent evictions and help people stay in their homes.

Donation Key

Time **Food** **Household Items** **Clothing**

Volunteer your time

Canned food *†
