

2019 Adopt-a-Student School Supply Drive Suggested Supply List

We encourage our donors to spend around \$75 per student. For your convenience, below is a suggested school supply list to utilize while shopping. **However, not all items on the list are required.**

If you are making a general school supply donation, GIVE Denver will use your donation to create backpacks filled with school supplies for students in need who are not matched with a specific donor. These backpacks will be distributed to families at the Denver Human Services **#BeSupportedFair on August 10.**
