Approved: Scott V. Prisco, AIA, Building Official		
Number: ADMIN 131.3	Effective Date: August 20, 2009 Revised Date: February 7, 2017	Page: 1 of 2

Reference: ADMIN Section 131.3

Scope:

This policy is to establish the procedure for issuance of permits to an *owner-occupier*. This policy also establishes who may assist the *owner-occupier* in obtaining owner-occupier permits and performing work authorized under owner-occupier permits.

Definitions:

DESIGNATED WORKER. The individual who will be assisting the *owner-occupier* with the *owner-occupier* permitted work and may assist the *owner-occupier* with the *owner-occupier* exams. This individual cannot accept payment from the *owner-occupier* for services rendered without written request and approval from the Building Official. The individual who will be assisting the *owner-occupier* must be identified on the *owner-occupier* permit.

OWNER-OCCUPIER. The natural person listed in the Assessor's records who owns and occupies a *single-unit dwelling*, or who owns and occupies such *single-unit dwelling* they wish to construct. This natural person must own and occupy, as their domicile, the single-unit dwelling for 12 months after the certificate of occupancy is issued.

SINGLE-UNIT DWELLING. The primary (stand-alone) structure, housing a single dwelling unit which is the domicile for the *owner-occupier*. Duplexes, townhomes (attached single-unit dwellings), condominiums, apartments, and commercial buildings are not single-unit dwellings. Note: For the purposes of this policy, accessory dwelling units are not considered single-unit dwellings.

Policy:

Owner-occupier permits may be obtained for a *single-unit dwelling* in the following circumstances:

1. The *owner-occupier* must be the individual seeking the permit and submitting to take the exam. An individual who has been granted Power of Attorney by the natural person who owns and occupies the single-unit dwelling may apply for a permit in the owner-occupier's name, by providing the original, City Clerk recorded Power of Attorney to the permitting staff. However, this individual who has been granted Power of Attorney may not assist with the exam or perform the work unless they are the designated worker.
2. The *owner-occupier* of an existing *single-unit dwelling* may be issued permits and conduct work on their own *single-unit dwelling* and accessory structures after agreeing to occupy the dwelling for 12 months and passing discipline-specific exams.
3. The *owner-occupier* of an existing *single-unit dwelling* may be issued permits and conduct all work in the construction of new accessory structures (including detached garages) after agreeing to remain in the dwelling for 12 months, and passing all applicable discipline specific exams. Such permits shall only be issued to the *owner-occupier* once in any five (5) year period.
4. The *owner-occupier*, who intends to construct a new *single-unit dwelling* and to occupy it for at least 12 months, may be issued permits and conduct work on their new dwelling after passing all applicable discipline-specific exams. Such permits shall only be issued to the *owner-occupier* once in any five (5) year period.
