**Supporting Information:**

**Purpose:** The purpose of the proposed section and text additions is to clarify terms that were used elsewhere in the body of appendix S and to clarify the performance characteristics of systems and components.

**Reason:** The reason for the changes is to improve upon the current language and to further clarify the performance of existing systems.

**Substantiation:** Based on normally used definitions and technical provisions of NFPA 72.

**Bibliography:** not required.

*Note:* The following items are required to be included:

**Purpose:** The proponent shall clearly state the purpose of the proposed amendment to physical, environmental and customary characteristics that are specific to the City and County of Denver (e.g., clarify the Code; revise outdated material; substitute new or revised material for physical, environmental and customary characteristics; add new requirements to the Code; delete current requirements, etc.)

**Reasons:** The proponent shall justify changing the current Code provisions, stating why the proposal is necessary to reflect physical, environmental and customary characteristics that are specific to the City and County of Denver. Proposals that add or delete requirements shall be supported by a logical explanation which clearly shows why the current does not reflect physical, environmental and customary characteristics that are specific to the City and County of Denver and explains how such proposals will improve the Code.

**Substantiation:** The proponent shall substantiate the proposed amendment based on technical information and substantiation. Substantiation provided which is reviewed and determined as not germane to the technical issues addressed in the proposed amendment shall be identified as such.

**Bibliography** (as needed): The proponent shall submit a bibliography when substantiating material is associated with the amendment proposal. The proponent shall make the substantiating materials available for review.

**Referenced Standards:**

No new referenced standards proposed.

List any new referenced standards that are proposed to be referenced in the code.

**Impact:**

The impact is to clarify

*Note:* The proponent shall discuss the impact of the proposed amendment and indicate one of the following for each point below regarding the amendment proposal:

- The effect of the amendment proposal on the cost of construction;    ☒ Increase    ☐ Reduce    ☒ No Effect
- The effect of the amendment proposal on the cost of design;    ☒ Increase    ☐ Reduce    ☒ No Effect
- Is the amendment proposal more- or less-restrictive than the I-Codes;    ☒ More    ☒ Less    ☒ Same

**Departmental Impact:**

By clarifying terms, it lessons uncertainty in how to enforce provisions.

*Note:* The proponent shall discuss the impact of the proposed amendment and indicate one of the following for each point below regarding the amendment proposal:

- The effect of the amendment proposal on the cost of review;    ☒ Increase    ☐ Reduce    ☒ No Effect
- The effect of the amendment proposal on the cost of enforcement/inspection;    ☒ Increase    ☐ Reduce    ☒ No Effect
