AMENDMENT PROPOSAL

Please provide all of the following items in your amendment proposal.

**Code Sections/Tables/ Figures Proposed for Revision:**
DBC – IEBC Section 1301

**Proposal:**

**CHAPTER 14 13 PERFORMANCE COMPLIANCE METHODS**

**SECTION 1401 GENERAL**

Section 1401.2 Applicability is amended by replacing the first sentence in this section with the following:

1401.2 Applicability. Structures constructed prior to the adoption of the 1976 Denver Building Code, in which there is work involving additions, alterations or changes of occupancy shall be made to conform to the requirements of this chapter or the provisions of Chapters 5 through 13.

Section 1401.3.2 Compliance with other codes is replaced in its entirety with the following modified by deleting the reference to the International Property Maintenance Code:

1401.3.2 Compliance with other codes. Buildings that are evaluated in accordance with this section shall comply with the International Fire Code.

**Supporting Information:**

Purpose: Editorial and clean up

Reasons: In the 2018 IEBC Chapter 13 is now Performance Compliance Methods (whereas it was Chapter 14 in the 2015 IEBC).
Section 1401.2 (1301.2) is no longer needed as the 2018 IEBC revised the language to reference ‘Existing Building’ as opposed to a specific date.

In addition, there is no need to reprint the section simply to delete the reference to the IPMC.
