Proposal:

Section 2902.8 2902.7 Location of service sinks is added:

[EH] 2902.8 2902.7 Location of service sinks. In addition to the locations prescribed in Table 2902.1, service sinks are required on each floor where toilet facilities are provided as defined below:

1. In food service facilities and occupancies where food is prepared for public consumption.
2. In Group R occupancies that have prepare or handle food, drink, or ice for public consumption or handling.

Note: Show the proposal using strikeout, underline format. At the beginning of each section, one of the following instruction lines are also needed:

• Revise as follows
• Add new text as follows
• Delete and substitute as follows
• Delete without substitution

Supporting Information:

Purpose: This language clarifies the requirements for service sinks.

November 15, 2005
**Reasons:** This Clarifies that in addition to mop sinks required by IBC Table 2902.1, service sinks are required for facilities that prepare food and drink for public consumption.

**Note:** The following items are required to be included:

**Purpose:** The proponent shall clearly state the purpose of the proposed amendment to physical, environmental and customary characteristics that are specific to the City and County of Denver (e.g., clarify the Code; revise outdated material; substitute new or revised material for physical, environmental and customary characteristics; add new requirements to the Code; delete current requirements, etc.)

**Reasons:** The proponent shall justify changing the current Code provisions, stating why the proposal is necessary to reflect physical, environmental and customary characteristics that are specific to the City and County of Denver. Proposals that add or delete requirements shall be supported by a logical explanation which clearly shows why the current does not reflect physical, environmental and customary characteristics that are specific to the City and County of Denver and explains how such proposals will improve the Code.

**Substantiation:** The proponent shall substantiate the proposed amendment based on technical information and substantiation. Substantiation provided which is reviewed and determined as not germane to the technical issues addressed in the proposed amendment shall be identified as such.

**Bibliography** (as needed): The proponent shall submit a bibliography when substantiating material is associated with the amendment proposal. The proponent shall make the substantiating materials available for review.
