AMENDMENT PROPOSAL

Please provide all of the following items in your amendment proposal.

Code Sections/Tables/Figures Proposed for Revision:

DBC-IBC 130.3 Exempted work, items No. 5 and 16.

Proposal:

Revise Denver amendment as follows:

**130.3 Exempted Work.** The following construction is exempt from the permit requirements of this Code. Exemption from this Code shall not be deemed to grant authorization for any work to be done in any manner that violates the provisions of this Code or any other laws or ordinances of the City. Wastewater Management, Zoning Administration and Fire Department permits may be required.

5. Retaining walls which are not over 4 feet (1220 mm) in height measured from the bottom of the footing to the top of the wall, unless supporting a surcharge or impounding Class I, II or III-A liquids. **Public Works will require permits for all retaining walls constructed in association with water detention/retention ponds.**

16. Site development work including grading, water detention/retention ponds and soil erosion control. The Wastewater Division Public Works will require permits for this type of work.

Supporting Information:

Changes made to coordinate the building code with Department of Public Works requirements.

Referenced Standards:

List any new referenced standards that are proposed to be referenced in the code.

Impact:

November 15, 2005
The change to exemption item#5 provides a notification to the reader that Public Works will require permits in certain instances when a building permit is not otherwise required.

The change to item #16 is editorial.
