</tbody>
</table>

2) Please check here if a separate graphic file is provided: D

Graphics may also be embedded within your proposal below.

3) Use this template to submit your proposal or attach a separate file, but please include all items requested below in your
proposal. The only formatting needed is BOLDING, STRIKEOUT AND UNDERLINING. Please do not provide additional
formatting such as tabs, columns, etc., as this will be done by CPD.
**Code Sections/Tables/Figures Proposed for Revision:**

IBC 310.2

**Proposal:**

Add new text as follows:

310.2 Residential Group R-1.

Homeless shelters:

**Supporting Information:**

The purpose of this amendment is to expedite the design and plan review process and to standardize the building codes as they pertain to homeless and emergency shelters. Currently homeless shelters do not explicitly fall under a specific occupancy classification creating controversy, confusion, and budget and time constraints for the building department and the design teams attempting to get more homeless and emergency housing solutions available as quickly and as safely as possible.

In the case of the 4330 48th Ave shelter, the building department agreed that R-1 was the appropriate occupancy classification for the intended use. All homeless shelters shall fall under the R-1 classification going forward.

**Referenced Standards:**

Note: List any new referenced standards that are proposed to be referenced in the code.

**Impact:**

Note: Discuss the impact of this proposal in this section AND indicate the impact of this amendment proposal for each of the following:

- The effect of the proposal on the cost of construction: D Increase D Reduce D No Effect
- The effect of the proposal on the cost of design: D Increase D Reduce D No Effect
- Is the proposal more or less restrictive than the I-codes: D More Less D Same

**Departmental Impact:** (To be filled out by CPD staff)

Note: CITY STAFF ONLY. Discuss the impact of this proposal in this section AND indicate the impact of this amendment proposal for each of the following:

- The effect of the proposal on the cost of review: D Increase D Reduce D No Effect
- The effect of the proposal on the cost of enforcement/inspection: D Increase D Reduce D No Effect
