AMENDMENT PROPOSAL

Please provide all of the following items in your amendment proposal.

**Code Sections/Tables/Figures Proposed for Revision:**

**Proposal:**

Add new section as follows:

**919.21 Elevator Identification** The alphabetical or numerical identification of the elevator shall be placed on both doorjambs of every elevator entrance at the designated level, alternate level, level where means necessary for tests is provided, and level where an inspection and test panel is provided; this identification shall be a minimum of 50 mm (2 in.) in height and shall be located immediately below the floor designation, where provided.

**Supporting Information:**

Fire Fighters can enter elevator lobbies from different directions or from other elevators. It is critical that they can ascertain what elevators they are on or directed to without looking at both sides elevator entrance frames.

**Referenced Standards:**

Click or tap here to enter text.

List any new referenced standards that are proposed to be referenced in the code.

**Impact:**

The effect of the amendment proposal on the cost of construction: Slight Increase

**Note:** The proponent shall indicate one of the following regarding the impact of the amendment proposal:

- The effect of the amendment proposal on the cost of construction: Increase, Reduce, No Effect:
- The effect of the amendment proposal on the cost of design: Increase, Reduce, No Effect:
