**Note:** If the proposal is for a new section, indicate (new).

### Proposal:

**Revise as follows:**

505.6 Other than Group R Individual Dwelling Units. In other than Group R occupancies, individual dwelling units, where domestic cooktops, ranges, and open-top broilers are used for domestic purposes, domestic cooking exhaust systems shall be provided; a residential hood that contains a listed UL300A fire suppression system shall be provided. The fire suppression system shall be connected to the fire alarm system in buildings that have a fire alarm.

**Note:** Show the proposal using **strikeout**, **underline** format. At the beginning of each section, one of the following instruction lines are also needed:

- Revise as follows
- Add new text as follows
- Delete and substitute as follows
- Delete without substitution

### Supporting Information:

Currently Building Policy IMC Section 507 requires a residential hood with a listed UL300A suppression over domestic ranges in Group B and Group R occupancies other than dwelling units when used for domestic purposes. The 2018 IMC requires a domestic exhaust system over cooking equipment used for domestic purposes. This amendment will codify the policy.

**Note:** The following items are required to be included:

- **Purpose:** The proponent shall clearly state the purpose of the proposed amendment to physical, environmental and customary characteristics that are specific to the City and County of Denver (e.g., clarify the Code; revise outdated material; substitute new or revised material for physical, environmental and customary characteristics; add new requirements to the Code; delete current requirements, etc.)

November 15, 2005
**Reasons:** The proponent shall justify changing the current Code provisions, stating why the proposal is necessary to reflect physical, environmental and customary characteristics that are specific to the City and County of Denver. Proposals that add or delete requirements shall be supported by a logical explanation which clearly shows why the current does not reflect physical, environmental and customary characteristics that are specific to the City and County of Denver and explains how such proposals will improve the Code.

**Substantiation:** The proponent shall substantiate the proposed amendment based on technical information and substantiation. Substantiation provided which is reviewed and determined as not germane to the technical issues addressed in the proposed amendment shall be identified as such.

**Bibliography** (as needed): The proponent shall submit a bibliography when substantiating material is associated with the amendment proposal. The proponent shall make the substantiating materials available for review.

**Referenced Standards:**
