

# Denver's Subregional Forum Approach

Denver Subregional Forum  
May 17th, 2018

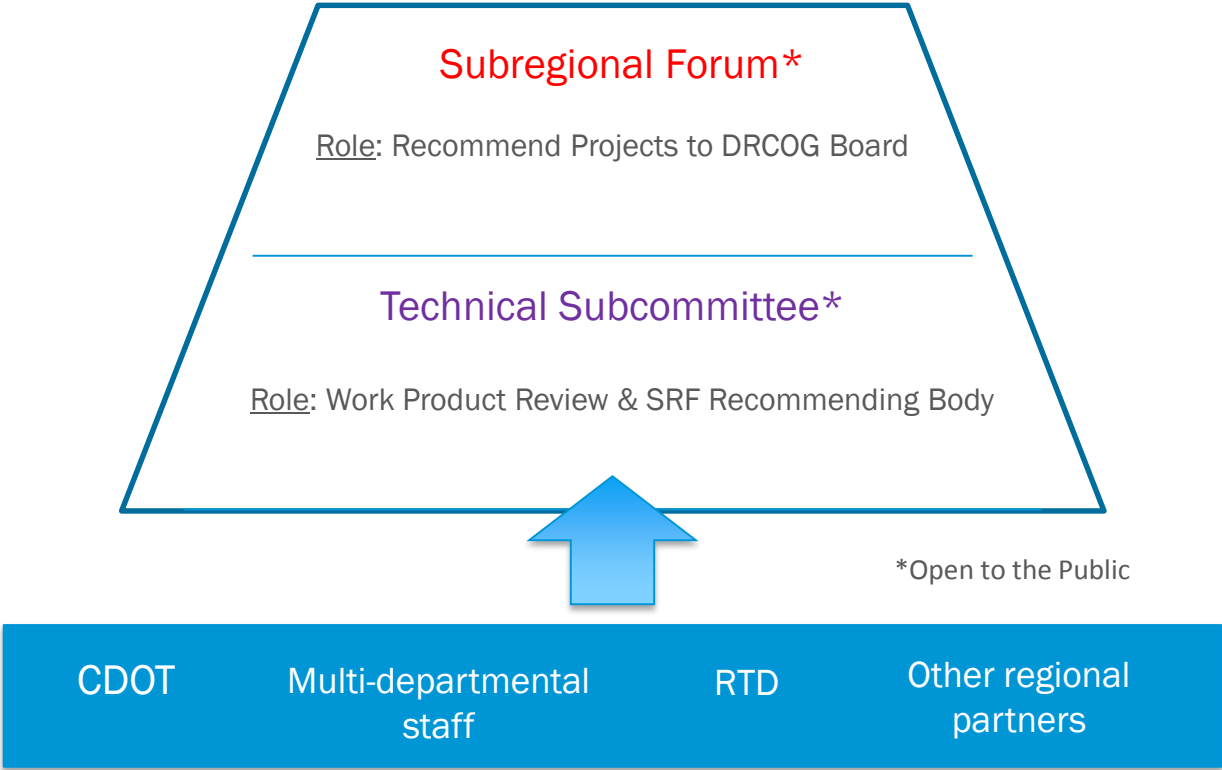

# Denver's TIP Subregional Forum Process

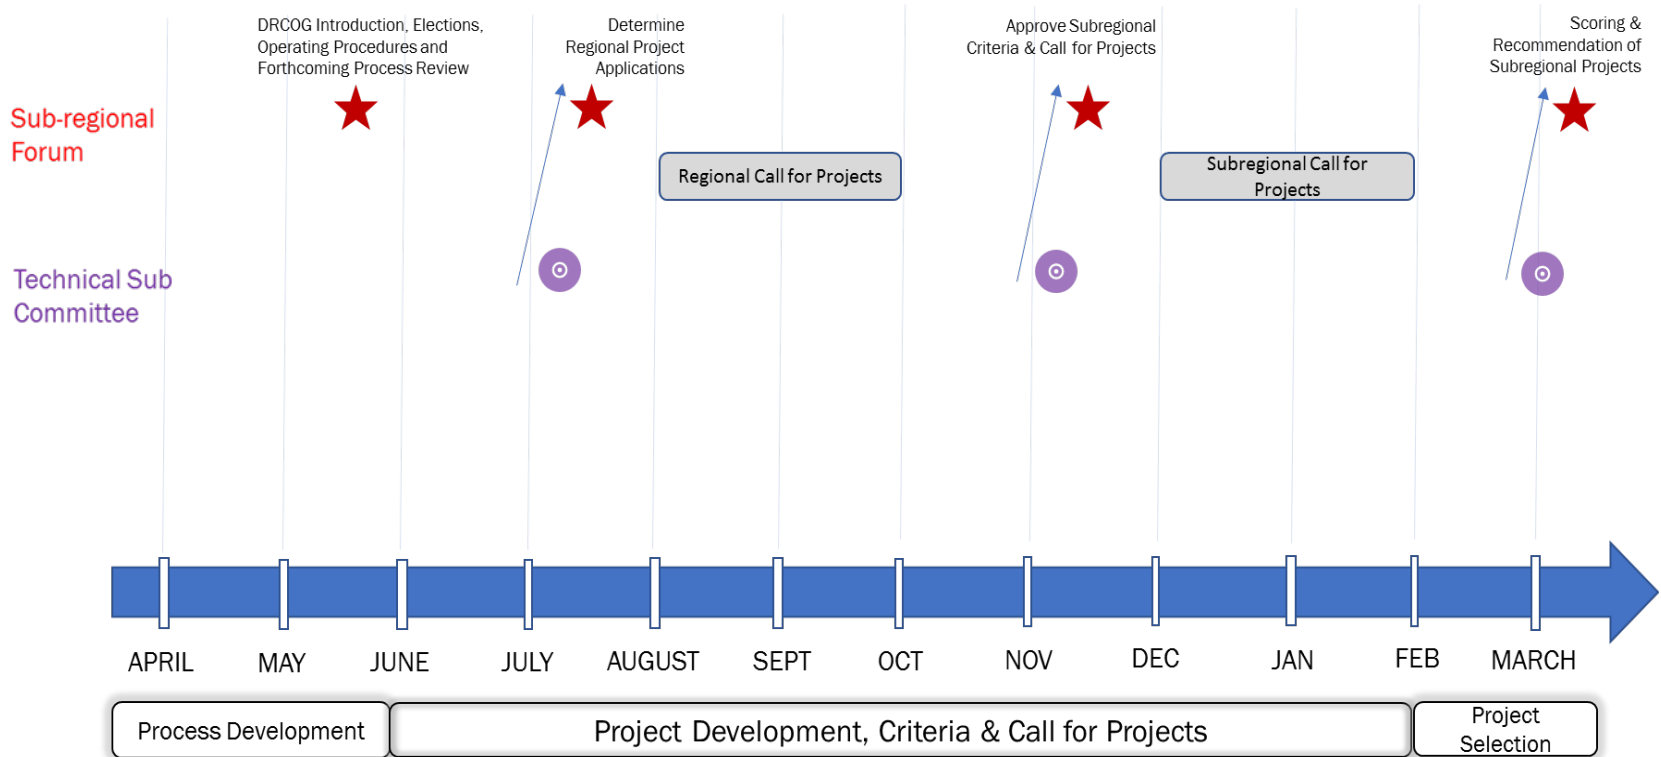

# Basic Requirements for a Subregional Process

- Establish a Subregional Forum under an extension of DRCOG governance
- The Subregional Forum and any formal subcommittees shall be publicly noticed meetings with an opportunity for public comment
- DRCOG will attend all meetings, RTD & CDOT must be invited as non-voting members
- State and regional agencies eligible for direct receipt of federal TIP funding must be offered a call for projects
- Maintain a link to the Long-Range Transportation Plan - 'Metro Vision' in the Subregional Criteria

# Denver's Structure to Support a DRCOG Subregional Process

# Denver's Subregional Forum Process and Proposed Schedule

# Denver SRF Outcome #1 (May 2018—TODAY!): Establish Operating Procedures & Election of Officers

- Review the DRCOG and Denver TIP Subregional Process
- Discussion & Adoption of Operating Procedures
- Election of Forum Chair and Vice Chair

## Denver SRF Outcome #2 (August 2018): Approve up to 3 Denver Regional Applications

- Review Types of Eligible Projects and how they are to be Evaluated
- Confirm any additional evaluation criteria for Denver applications, for example:
  - Competitive given the DRCOG criteria
  - Financial support for the match requirements
  - Prior commitments to support regionally shared priorities
- Finalize list of projects to be submitted for DRCOG Regional TIP

## Denver SRF Outcome #3 (November 2018): Approve Subregional Criteria & Issue Call for Projects

- DRCOG Board will approve 'base criteria' for Subregional forums
- Existing minimum criteria requirements all Subregions:
  - Association with the three TIP Focus Areas;
  - Alignment with Metro Vision Objectives in the Regional Share
  - Base Information of the Regional Share criteria
- The Subregional Forums can build their process based on the DRCOG framework, recommendations for criteria will be made through the Technical Subcommittee for final approval by SRF.
- Initiate Call for Projects from Denver's SRF in late 2018 to federal funding eligible recipients in the City & County of Denver

## Denver SRF Outcome #4 (March 2019): Review Scoring of Project Applications & Recommend Package of Subregional Projects to Full DRCOG Board

- Review, modify, and approve the scoring and ranked project list recommended from the Technical Subcommittee
- The final package of projects is voted upon and approved by the SRF
- The Chair of the SRF will present recommended package to the full DRCOG Board for incorporation of projects in the 2020-2023 TIP
