|           | Business Auto Liability: CSO shall maintain business auto liability coverage with a combined single liability limit of $1,000,000 applicable to all owned, hired and non-owned vehicles used in performing services under the permit. |
**Application Process:**

- Eligible car share companies must apply through Parking & Mobility Services, parkingandmobilityservices@denvergov.org, to be approved as a car share operator (CSO) and to be added to the permitting system.
- CSOs must complete the online application at parksmartdenver.org (click on permits) and provide all the following information for the specific permits. CSOs must also acknowledge the terms and conditions prior to submitting applications or renewals.
- Car Share Operator Documents:
  - A. Current CSO Insurance Certificate for company and fleet (updated annually)
  - B. Current Denver Sales Tax License (updated annually)
  - *must be a business registered in City and County of Denver*

- Car Share Dedicated Space Application:
  - A. Location information, including address and map and photos of exact location
  - B. Fleet license plates
  - *fleet vehicles must be registered in City and County of Denver*

- Car Share Vehicle Area Permit:
  - A. Vehicle license plates
  - *vehicles must be registered in City and County of Denver*

**Consideration:**

- CSO fleet vehicles, as reported by CSO, must be owned by the CSO or a parent company and vehicles registered within the City & County of Denver Department of Motor Vehicles (DMV).
- License plates submitted by the CSO will be checked against DMV records to determine if they are eligible within the permit program.
- Outreach to adjacent properties and local Registered Neighborhood Organization (RNO) is required by the CSO prior to installation of a dedicated parking space.
- CSO must pay all parking citations associated with its fleet before renewal of vehicle or reserved location permits.
- CSO is responsible for cleanliness of each reserved, on-street parking location. Failure to do so will result in the space, and permit, being revoked.
- CSOs are required to report information regarding their fleet and membership. This includes information on the number of vehicles in the fleet, location of vehicles, fleet usage, total number of members, member survey (regarding mode shift) and general demographics. Survey questions will be distributed to CSO by Parking & Mobility Services and should be administered by CSO between Memorial Day and Labor Day each year.
- City Traffic Engineer reserves the right to deny location requests.

**Fees:**

- Fees are determined by permit type and (if applicable) location, Vehicle Area or Dedicated Space.
- Vehicle Area Permit: Car share vehicles relieved from time limit restriction sin excess of (and including) two hours, Residential Parking Permit restrictions, and meter payment.
  - A. City Wide: $850/year
- Dedicated Space: CSO may request to locate vehicles on-street at dedicated spaces. Subject to additional fees including but not limited to issuance, sign fabrication and installation.
  - A. Meter Displacement: 1/3 fully operational meter revenue based on adjacent meter program/rates
  - B. Downtown Area: $750/year (if meter is not displaced)
  - C. Unmetered/City-wide Area: $500/year
  - D. Opportunity Area: $250/year (unmetered only)

**Permit Conditions:**

- Car Share Vehicle Area Permit
  - Per the authority of Sec. 54-43(b)(6) and (8) D.R.M.C. permitted car share vehicles are allowed to park on any residential permit parking (rpp) block, park at a meter without payment, and park in excess of posted time limits equal to or in excess of two hours. Permitted vehicles are not allowed to park in contradiction to the 72 hour rule, street sweeping restrictions, or other posted parking restrictions.

- Car Share Dedicated Space Permit
  - Per the authority of Sec. 54-43(b)(6) and (8) D.R.M.C. permitted car share vehicles are allowed in designated dedicated, on-street space(s). The vehicle(s) permit number shall be affixed to the corresponding sign demarking the dedicated space(s). All other vehicles are prohibited from parking in said space(s) and are subject to towing. In the event that a non-permitted vehicle is parked in the designated dedicated, on-street car share space, the permitted car share vehicle may legally park on the same block of the designated dedicated on-street space under the same permit condition provisions as in its designated dedicated space. Dedicated spaces are car share operator specific, and as such, shall have the logo of the operator visible on the sign. The car share operator is responsible for the cleanliness of each dedicated space. Failure to keep the space clean will result in this permit being revoked. Car share operators must adhere to all requirements set forth in the Public Works Manager’s Rules & Regulations Pertaining to the Administration of a Car Share Permit Program by the City Traffic Engineer.
