39th Avenue Greenway Environmentally Related Roles & Responsibilities

**Activity**
- General Construction (Channel)
- Building Demo
- Tank Removal
- Unknowns

**Monitoring**
- MMP Site Monitor (Pinyon Environmental)
- MMP Site Monitor (Pinyon Environmental)
- MMP Site Monitor (Pinyon Environmental)
- MMP Site Monitor (Pinyon Environmental)

**Hazardous Materials**
- Known Soil Contamination
  - Fuels
  - Solvents
  - Hydrocarbons
  - Chemical Spills

- Building Materials
  - Possible Asbestos Containing Materials (ACMs)
  - Lead Based Paint

- Above and Underground Storage Tanks (UST)
  - Storage Tanks and Related Apparatus
  - Known Site Soil Contamination

- Reasonably Expected Unknowns
  - Soil Contamination
  - Unidentified USTs
  - Testing of unexpected Perched Groundwater

**Material Management Plan**
- Consolidated 39th/Greenway Material Management Plan
- Consolidated 39th/Greenway Material Management Plan
- Consolidated 39th/Greenway Material Management Plan
- Consolidated 39th/Greenway Material Management Plan

**Contractor(s)**
- Design/Build Contractor
- Consolidated Demo Contractor
- DDPHE On-Call Remediation Contractors
- DDPHE

**Inspection/Oversight**
- Public Works – Capital Projects
  - Parsons
  - Pinyon Environmental
- Public Works – Capital Projects
