

PHASE 1: Dakota Ave, Alameda Ave, and 17th Ave Intersections

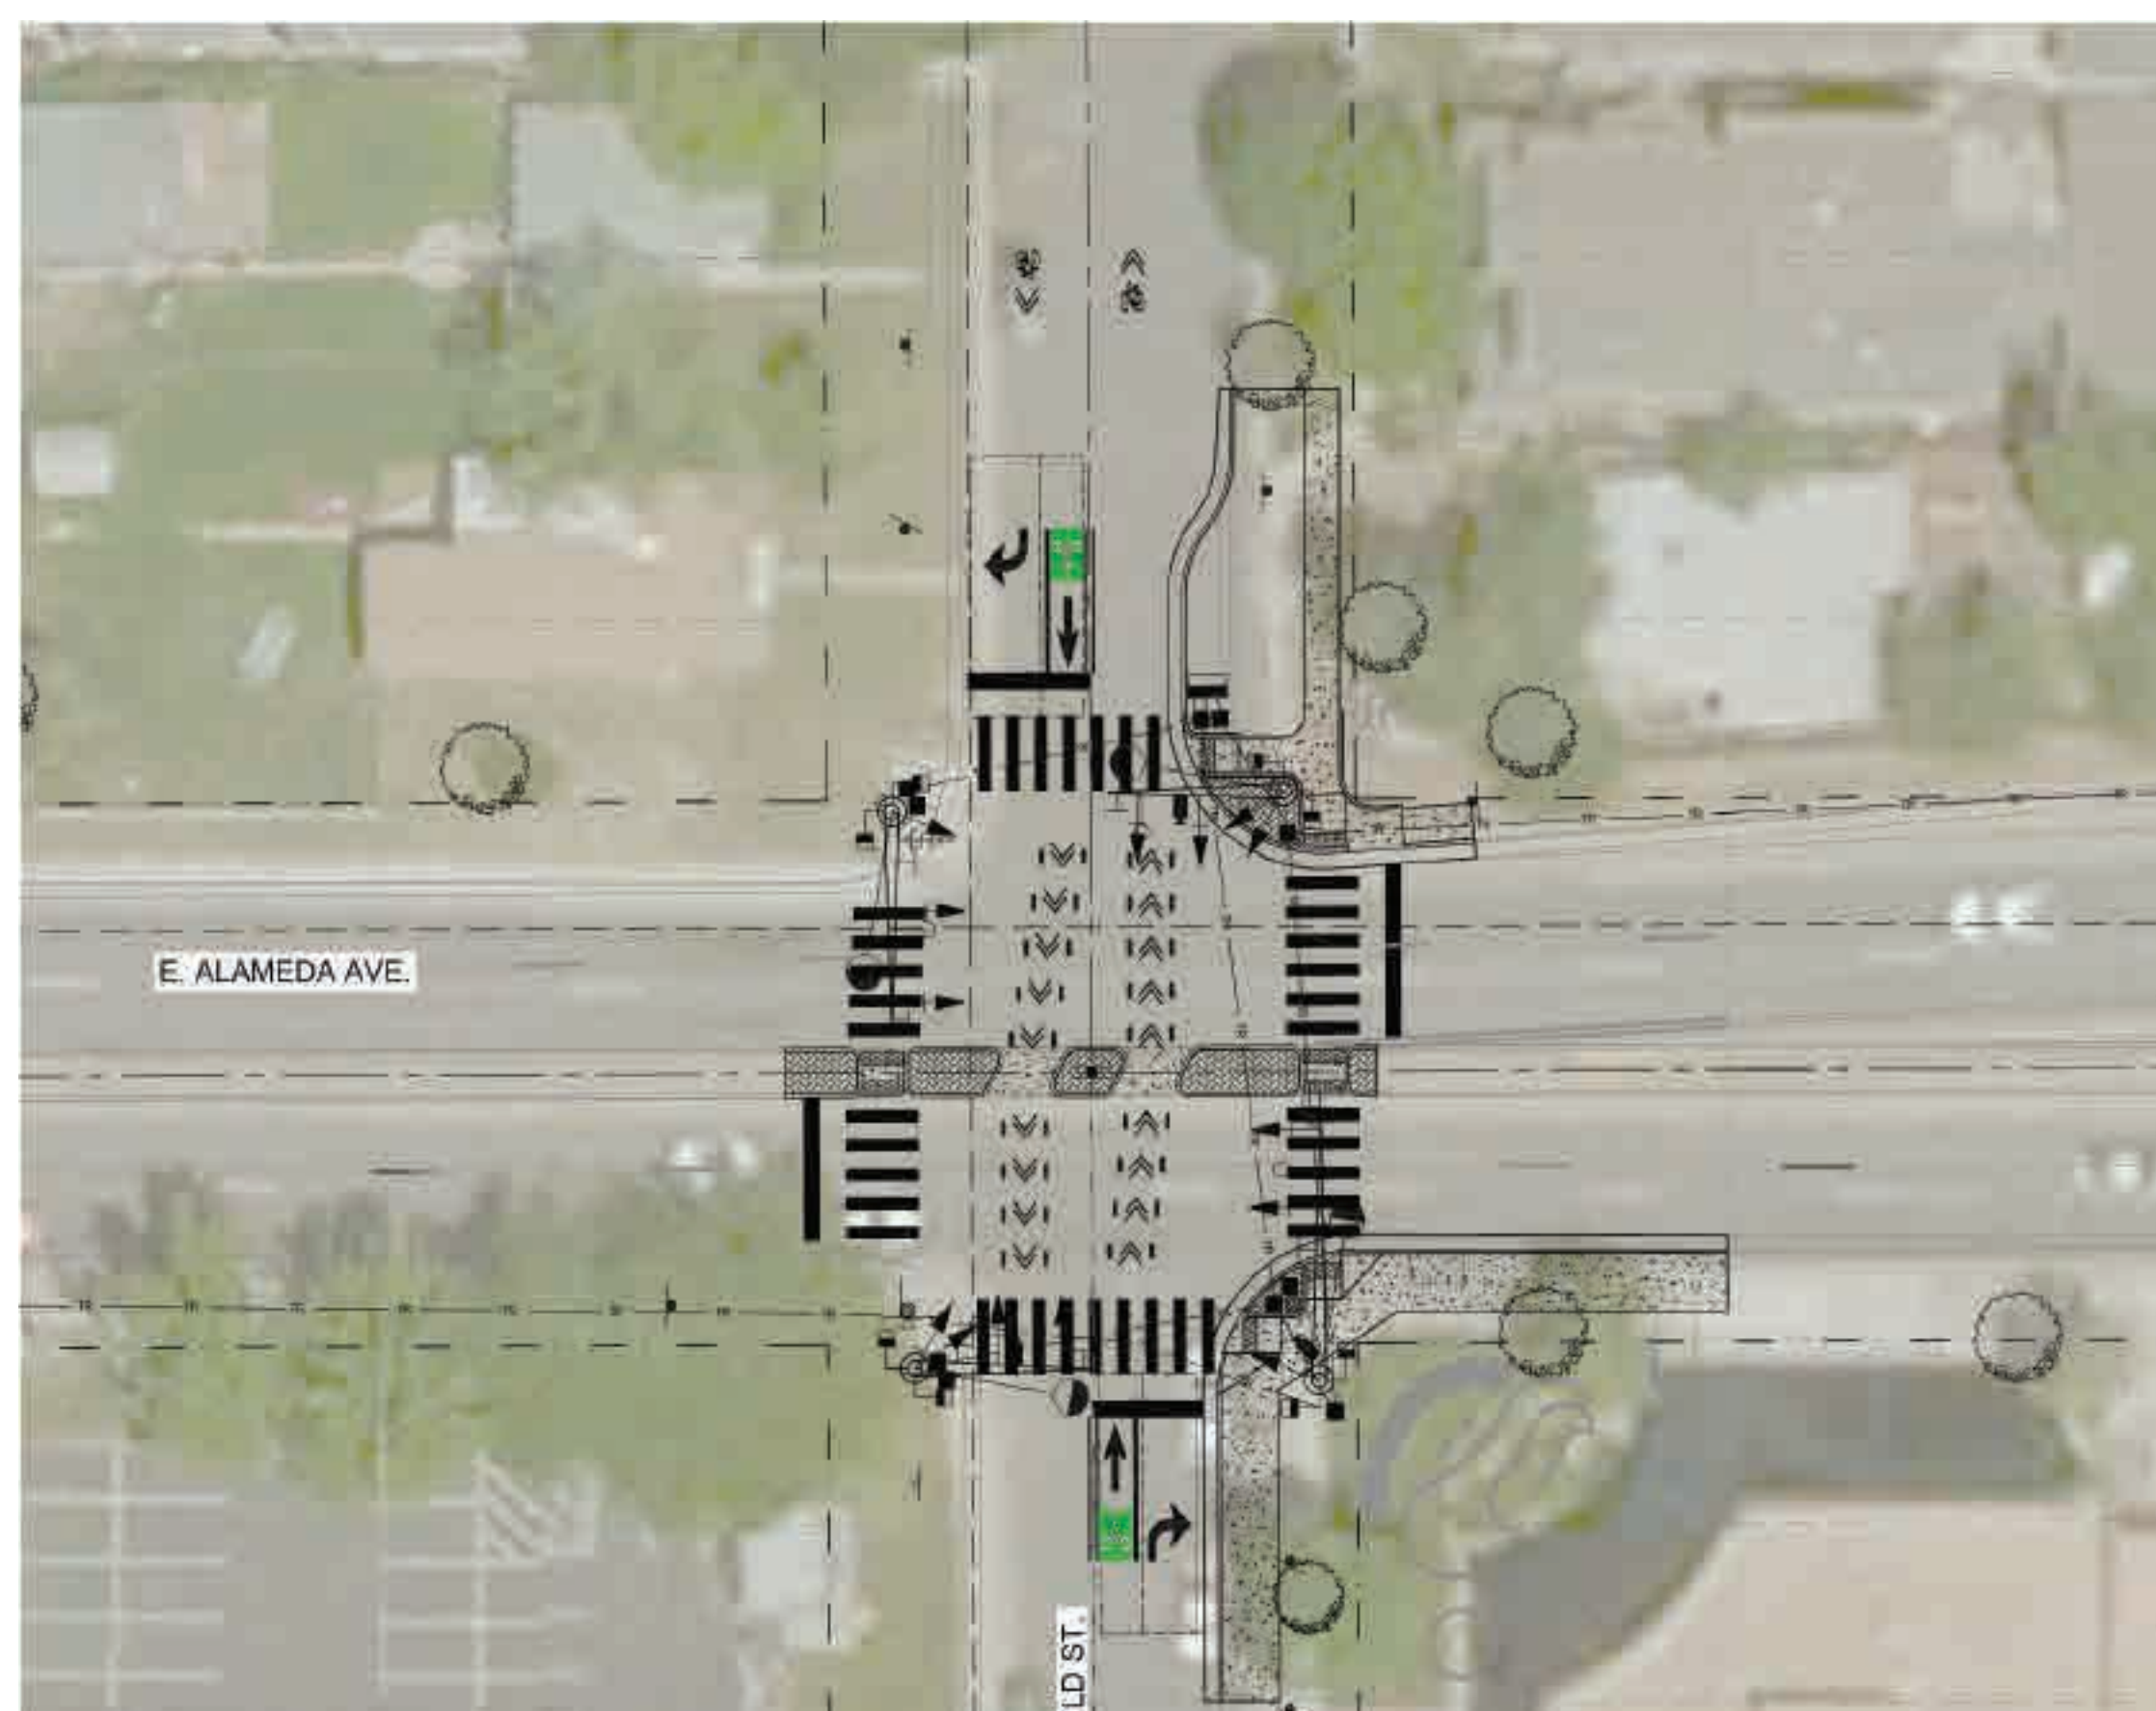

Dakota Avenue

- All-way stop at intersection with Garfield
- Curb extensions and two-way bikeway on south side connecting from Cherry Creek Drive North

Cherry Creek Drive North

- Reconfigure roadway at intersection for vehicles turning to and from Dakota Avenue
- New center median refuge
- Rectangular rapid flashing beacons at crossing

Alameda Avenue

- New traffic signals for pedestrian and bicycle movement
- Reconstruct the center median
- Enhanced signage and pavement markings for multimodal travel
- Upgraded curb and sidewalk

17th Avenue

- Install a signalized intersection with multimodal traffic signals and bicycle detection
- Add Center median on 17th Ave
- Enhanced signage and pavement markings
