Annual Quantity Report: Report all solid waste collected and hauled within the City and County of Denver from January 1, 2018-December 31, 2018.

If loads include both materials collected inside of and outside of Denver, provide best estimation of the weight of materials collected within the City Denver. *All annual quantity data reported to the City and County of Denver shall be treated as confidential commercial data under the Colorado Open Records Act, C.R.S. §§ 24-72-201–206.*

	Check Data Source		Total Tons	Facilities Used (list all facilities used to deposit each material)
	Scale	Conversion		
Commercial Waste Taken to Landfill				
Commercial Recyclables Taken to Recycling Facility				
Commercial Food Waste Taken to Compost Facility				
Commercial Yard Debris Taken to Compost Facility				
Construction/ Demolition Debris Taken to Landfill				
Construction/ Demolition Debris Taken to Recycling Facility				
Other*** (please describe)				

***Other may include junk/cleanouts, landscape debris, scrap tires, scrap metal, e-waste, etc.

If weights are not available, use to following conversion factors:

Commercial waste (uncompacted)	6.7 cubic yards/ton
Commercial waste (compacted)	2.85 cubic yards/ton
Commercial recyclables	20.3 cubic yards/ton
Commercial food waste	4.5 cubic yards/ton
Commercial landscaping debris	8 cubic yards/ton
Construction/demolition debris	3.66 cubic yards/ton
Scrap Tires	Provide number of tires

Vehicle Reporting: List all necessary information for all vehicles used directly in the hauling of solid waste within the City and County of Denver.

Total number of vehicles operating within the City and County of Denver: _____

Colorado License Plate #	Vehicle Type****	Vehicle Identification Number (VIN)	Cubic Yard Capacity	Empty Tare Weight Type	CO Dept. of Transportation Commercial Vehicle ID #	Date of Last DOT Inspection

****Vehicle type = rear-loader, side-loader, front-loader, roll-off, pick-up, etc.

Fee Structure: Payment for your license is due when you submit your application to the Department of Excise and Licenses. Licenses may be purchased with cash, check or credit card. You can calculate your total license fee based on the number of vehicles your company owns. The company fee structure is outlined below.

- 1-2 vehicles - \$100
- 3-9 vehicles - \$300
- 10-20 vehicles - \$600
- 21 and more vehicles - \$1,200

New hauler license applicants must also pay a \$25 application fee in addition to their license fee.

Affidavit:

I, _____, as the Responsible Party/Registered Agent, do hereby declare that all information provided herein is true and accurate. Further, I hereby verify that the vehicles identified herein represent the full fleet operating within the City and County of Denver; that all vehicles are compliant with all local, state and federal operating, safety and inspection regulations; that all vehicles are covered by the company's insurance policy(ies) identified in the attached certificate; and that all vehicle drivers are appropriately licensed to operate the vehicles under their care. I understand that any dishonest disclosure may result in license suspension, license revocation and/or fines.
