

DENVER
THE MILE HIGH CITY

YOU'RE INVITED!

COMMUNITY MEETING

DECEMBER 6, 5:30-7:00PM

Last year, the City and County of Denver conducted the Upper Montclair Stormwater Systems Study and Hale Parkway was identified as an opportunity for green and gray infrastructure improvements to manage flooding in the area. Please join us as we continue the conversation around the concept design of a future Hale Parkway!

Refreshments and snacks will be provided! Hope to see you there!

Rose Physician Office Building II
4500 E 9th Avenue
Goodstein Conference Rm 1 & 2
Lower Level
