The Platte Farm Open Space Detention project is located at the corner of E 49th Ave and Grant St on approximately 2.3 acres of vacant land in the Globeville neighborhood.

The project will reduce the risk of local flooding by capturing drainage flows that the existing 48th Avenue Outfall is unable to capture.

The project will be led by WCPM and Urban Drainage and Flood Control District and completed in conjunction with the overall Platte Farm Open Space vision and implementation by Groundwork Denver and Denver Parks & Recreation.
