

## Storm Drainage Review

Submit this form to initiate an impervious surface re-measurement.

**Please note: If a re-measure and/or site verification determines there is more impervious surface on your parcel than you are currently billed for, your storm drainage bill may increase.**

---

Customer Name

Storm Account / Parcel #

Service Address

Mailing Address (if different from above)

**Reason for Request**

You may also include documentation (such as photos) when submitting your request.
