SAFETY TIPS AND DAILY REQUIREMENTS

◆ Youth should bring a fully-charged laptop (or similar device), headphones and charging cords.
◆ Once checked in, youth are required to stay until the end of the day. A parent/guardian must make prior arrangements with staff for early pick ups. If a young person is not attending regularly, their spot will be forfeited and opened to the next person on the waiting list.
◆ Youth and staff are required to wear a mask, complete health screenings and adhere to all safety guidelines related to the Covid-19 pandemic.
◆ In order to keep our youth and staff safe, parents/guardians are NOT allowed to enter the facility. The facility is closed to the public.
